Date: 03.02.2009.

To,

Sub: Extension of date for nominations for Short Course on “**Seed–borne pathogens, their detection, implications and management**” from Feb. 18 to 27, 2009.

Ref: No: BACA / PATH / Short Course / 473-566/ 2009; Date: 09.01.2009.

Dear Sir,

The importance of healthy and disease free seeds in crop production vis a vis in export have been realized. Many plant pathogens viz. fungi, bacteria, viruses, etc., survive through seeds and cause considerable losses in the crop in different growth stages. Advancement in science has enabled us to detect these pathogens in seeds.

To update the knowledge of scientists and all those associated with the seed research, the department is organizing an ICAR sponsored 10 days short course on “**Seed –borne pathogens, their detection, implications and management**” from Feb. 18 to 27, 2009. The training course will provide hands on experience on Identification and Detection of fungal, bacteria, viruses through molecular and other techniques; implications of the pathogens in crop production and trade and their management.

The number of trainees selected would be limited to 25 (twenty five) only. The selected candidate will be provided suitable boarding and lodging and sleeper class fare for ‘To and Fro’ journey.

I shall be grateful, if you could kindly sponsor one or two most deserving scientists/ teachers for this training course from your organization. Nominations are to be submitted in the enclosed application form. Complete application duly forwarded by the competent authority must reach to: **Dr. R. N. Pandey, Course Director, Department of Plant Pathology, B. A. College of Agriculture, AAU, Anand-388 110, latest by February 13, 2009.** For rapid processing **the application can be sent through fax or through e-mail (as scanned document).** The selection of suitable candidates will be done on first come first serve basis till the availability of the vacancy.

The detailed information is also available on University [website: http:// www.aau.in](http://www.aau.in)

With best regards,

Yours faithfully,

Encl.: Application form

(R. N. Pandey)

Distribution:

All Director of Research of Agricultural Universities

All Directors, ICAR Institutes

All Heads of the Department of Plant Pathology (All Agril Universities)

All the Deans and Director of Research of AAU, Anand

P. S. to the Vice Chancellor, AAU, Anand

Last Date: February 13, 2009

APPLICATION FORM FOR PARTICIPATION IN SHORT COURSE ON "SEED BORNE PATHOGENS, THEIR DETECTION, IMPLICATIONS AND MANAGEMENT" TO BE HELD FROM February 18 to 27, 2009 AT THE DEPARTMENT OF PLANT PATHOLOGY; B. A. COLLEGE OF AGRICULTURE; ANAND AGRICULTURAL UNIVERSITY; ANAND - 388 110 (GUJARAT)

1. Full name (in block letter) : _____

2. Designation : _____

3. Scale of Pay : _____

4. Address for correspondence: _____
