**Gujarat (India)**

The main objectives of National Service Scheme (NSS) include understanding the community in which we work, understand ourselves in relation to their community, to identify the needs and problems of the community and involve them in problem-solving, to develop a sense of social and civic responsibility among ourselves, to utilise our knowledge in finding practical solutions to individual and community problems, to develop competence required for group-living and sharing of responsibilities, to gain skills in mobilising community participation, to acquire leadership qualities and democratic attitudes, to develop capacity to meet emergencies and natural disasters and to practise national integration and social harmony.

By keeping the above objectives in view, various activities were planned during the year 2019-2020 at College of Agricultural Engineering and Technology, Godhra (Gujarat) under the auspices of Anand Agricultural University, Anand (Gujarat). Activities mainly included two kinds: Regular and Special.

The report is divided in two parts. Part I comprises the regular activities carried out during the whole year on various occasions including national days. The activities conducted are briefly described along with some suitable photographs. Part II comprises the special activity conducted as a special camp organized at Ambali Primary School. Doctor na Muvada, Godhra, Dist: Panchmahal, Gujarat.

### **Coverage**

National Service Scheme (NSS) has grown over the years and it is implemented today with an involvement of more than 2.6 million volunteers spread over *in 200* Universities, Polytechnics and +2 Systems. The efforts of NSS volunteers have been widely acclaimed by the community, universities, colleges and general public as the NSS volunteers have been rendering selfless service to the community.

### **Motto**

#### **"Not Me but You"**

The Motto of NSS "Not Me But You", reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students develop appreciation to other person's point of view and also show consideration to other living beings. The philosophy of the NSS is well doctrined in the belief that the welfare of an individual is ultimately dependent on the welfare of the society as a whole and therefore, the NSS volunteers shall strive for the well-being of the society.

### **Symbol**

The symbol comprises wheel that portrays the cycle which is never ending and takes start at any moment of time in the life. The symbol stands for continuity as well as change and implies the continuous striving of NSS for social change. The eight bars in the wheel represent the 24 hours of a day. The red colour indicates that the volunteer is full of young blood that is lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is however a tiny part, it is ready to contribute its share for the welfare of the mankind.

## AIMS AND OBJECTIVES OF NSS

The objectives of National Service Scheme are to arouse in the students social conscience and to provide them with opportunity:

- ✓ To work with/ among people
- ✓ To engage in creative and constructive social action
- ✓ To enhance their knowledge of themselves and the community
- ✓ To put their scholarship to practical use in mitigating at least some of the problems
- ✓ To gain skill in program development to enable them for self- employment
- ✓ To bridge the gulf between the educated and the uneducated masses
- ✓ To promote the will to serve the weaker section of the community
- ✓ To practice national integration
- ✓ To develop capacity to meet emergencies and national disasters
- ✓ To acquire leadership qualities and democratic attitude
- ✓ To identify the needs and problems in the community in the solution of which they can be involved.
