

### CAET GODHRA PLACEMENTS - 2022

The Training and Placement Cell (T & P Cell) of College of Agricultural Engineering and Technology, Godhra operates round the year to provide not only job opportunities to the final year students of B. Tech Agricultural Engineering but also internships/industrial trainings and skill development trainings to all the students of the college.

T & P cell acts as interface between the students and corporates with an aim to invite companies from different areas to ensure good range of opportunities available for the students. 5 more students got appointed for Patson Foods India Pvt. Limited and Green Fibre India Private Limited. The entire process has been carried out through Training and Placement Cell. Prior to this, 6 and 8 students had already got placed in Jain Irrigation Systems private limited and Captain Tractors Private Limited respectively.

Dr.R. Subbaiah, Principal and Dean, Dr.D.K. Vyas, HoD, Department of REE and Er.J. Sravankumar, T & P officer congratulated the students got placed.

All faculty too, extended their wishes to the students.

The banner features the AAU logo on the left, the word "Congratulations" in a large, stylized font at the top center, and logos for "greenfibre" and "PATSON" on the right. A blue box contains the text "College of Agricultural Engineering And Technology, Anand Agricultural University, Godhra. Congratulates...". Below this, a green box states "For being selected by Green Fibre Foods (India) Pvt. Ltd. & Patson Foods (India) Pvt. Ltd. through CAET, Godhra Training & Placement Cell 2022.". Five student portraits are displayed in a row, each with a name and academic details in a blue box below:
