

Honors and Awards:

“Award of Excellence” of Federation of Gujarat Industry for Best work in Agricultural Development was received by Dr. R. V. Vyas, Res Scientist (Micro) and CPI , AAU BPDU and his associates on Liquid biofertilizer Technology at FGi Business Centre, Vadoadara on September 10, 2012. Dr Vyas and his team have developed and successfully commercialized the **Liquid BioFertilizers**, which is very useful to the farmers. The liquid biofertilizer under the brand name of **“Anubhav”** are functional for drip irrigation and green house technology. The most important issue is that use of Chemical fertilizer is lowdown by use of such liquid biofertilizers and it save environment in a long run. **The 12th FGi Awards for Excellance were given away by Chief Minister of Gujarat State Mr Narendra Modi in esteemed presence of Mrs. Gitaben Goradia, President FGi and Mr. Vinod Rao Collector of Vadodara.**
