

Chapter - 6

STUDENTS' WELFARE

The office of Director, Students' Welfare, Anand Agricultural University, was established with effect from 01/05/2004. This office is looking after various students' activities/facilities including sports, cultural events, fellowships, recreation, health, adventure, counseling, placement etc. More over, dignitaries of different fields are invited to share their thoughts, experiences and views among staff and students.

6.1 Students' Representative Council

All the constituent colleges of the University have the Students' Representative Council (SRC) formed as per University rules by the Principal/Dean of the respective colleges by selecting the sincere and leading students. The Council is formed with a view that the students can represent their problems through their representatives. The SRCs organize and monitor various extracurricular activities of students like planning forum, sports, debate and elocution, preparation of college magazine, cultural programmes, NSS etc. in collaboration and guidance from Directorate of Students' Welfare.

Apart from this, Alumni Associations in all the nine colleges have been formed. One day seminars were organized for strengthening the professional brotherhood and creating the atmosphere of oneness amongst the alumni.

6.2 Students' Amenities

Hostel

Hostel environment plays an important role in the development of personality and character of the students. Good hostel facilities are provided to all the under-graduate and post-graduate students of the University as a residential University with an attached mess. In some of the hostels, self-managed mess is governed by the students while some are managed by contract system under the supervision of Rector/Asst. Rector/Asst. Warden. Library facility is also available for the use of students. The other facilities for day to

day requirements like laundry, tailor, canteen, cycle store, provisional store, telephone, post office, bank, ATM etc. are also available in the University premises. The Rector and Asst. Rectors and Hostel Warden are appointed in each college for maintenance of student facilities and solving the residential problems of the students.

Health Facilities

Anand Agricultural University has made MOU with Charutar Arogya Mandal, Karamsad, for providing better health facility to students and staff from April 1, 2008. Special facility of Physician for various specialties like Dental, Skin, Eye, Gynaecology, Homeopathy and other disciplines are made available in campus.

The number of cases registered under various medical treatments at University Health Center during the year are as under;

Sr. No	Test/ Treatment	No. of cases/ patients Turned up
1	Allopathic	10824
2	Dental	106
3	Skin	123
4	Homeopathic	1162
5	Blood Sugar BS/FBS/ PP2bBS, test ,Lipid Profile, Creatinine, Jaundice/S.G.P.T/ SGOT/Albumin, Uric Acid, Blood group & Laboratory test in Health Center	2462

Placement Cell

Anand Agricultural University has an excellent placement record with top-notch organizations in Banks, Agriculture companies, Irrigation companies, Tractor companies, various Dairy and Food Industries, IT companies, Pharmaceuticals, Semi

Government with a strong and supportive alumni network holding prime position in reputed companies. We not only ensure a job for the deserving students but also instill a lifetime confidence and growth. Our

dedicated placement cell is constantly in touch with the industries. The Student Counseling & Placement Cell looks after students' well-being, Placement and Campus Interview.

6.5 Students' Magazine

Students' magazine is published by every college of this university with the aim to bring out the hidden talent and expression of the students. Teachers, staff members and post-graduate students of the college provide the crucial link for the overall development of the students through the various articles, poems, drama and interesting agricultural information useful to farmers and scientific community. The Director of Students' Welfare provides the Financial Assistance. The detailed report of sports and adventure activities in addition to educational activities is included in the Magazine.

6.6 Educational Tour

Educational tour is considered as a part of academic syllabus of the degree courses of this university. The duration of educational tour is of 2-3

weeks, which comprises the visits of reputed institutes of Gujarat and out side Gujarat.

The basic purpose of this tour is to gain knowledge and information regarding their study by personal visit to the related institutes and research centers. From the educational tour the students of this university gain important and interesting information regarding the developments in agriculture, veterinary and industrial growth by visiting the research centers of Agricultural Universities and other places.

6.7 Student Discipline

The quality of discipline is being inculcated in students through Sports, N.C.C. and N.S.S. etc, so as to maintain cordial atmosphere among students, teachers and staff members of this university. No serious cases of misbehavior by the students occurred during the year of report.
