

## Health Exhibition organized by Krishi Vigyan Kendra Arnej

Krishi Vigyan Kendra Arnej has organized the Health Exhibition on 10<sup>th</sup> & 11<sup>th</sup> September 2015 as a part of National Nutrition Week celebration. The exhibition was specifically organized for the adolescent children. 630 school children and 25 school teachers from 8 different schools which were nearer to KVK centre had visited the exhibition. In this Health exhibition 130 health, nutrition and disease related posters were displayed. The health and nutrition information giving video show was also organized for the children. The household food adulteration tests were demonstrated towards school teachers. School children had also visited the research farms and nursery demo unit. Dr. M.S. Jakasaniya, organizer of the exhibition, Dr. Gayatree Jadeja, Convener of the exhibition and the entire staff member's hard work had made the event very successful. Krishi Vigyan Kendra is thankful to Heart foundation and Research Institute, Ahmadabad for providing the posters for exhibition.
