

## Indian Association of Hydrologists - Fellow 2016

**Awarded to Dr M L Gaur, Professor (Soil & Water Engineering)  
B A College of Agriculture, Anand Agricultural University, Anand**

Recognizing the enormous 32 years R & D experiences in the field of Hydrology and Hydrological Research, the Indian Association of Hydrologists, positioned at National Institute of Hydrology-Roorkee (A pioneer Institute functioning directly under Ministry of Water Resources, Govt. of India) has conferred its prestigious "IAH – Fellow 2016 " award to Dr. M. L. Gaur, Professor (Soil & Water Engineering), who has recently joined at B A College of Agriculture, Anand. The awarding of fellowship is communicated recently, with below given certification at personal level.
