**National Service Scheme**

**COLLEGE OF AGRICULTURAL ENGINEERING &  
TECHNOLOGY  
ANAND AGRICULTURAL UNIVERSITY  
GODHRA -389001  
Gujarat (India)**

The main objectives of National Service Scheme (NSS) include understanding the community in which we work, understand ourselves in relation to their community, to identify the needs and problems of the community and involve them in problem-solving, to develop a sense of social and civic responsibility among ourselves, to utilise our knowledge in finding practical solutions to individual and community problems, to develop competence required for group-living and sharing of responsibilities, to gain skills in mobilising community participation, to acquire leadership qualities and democratic attitudes, to develop capacity to meet emergencies and natural disasters and to practise national integration and social harmony.

By keeping the above objectives in view, various activities were planned during the year 2021-22 at College of Agricultural Engineering and Technology, Godhra (Gujarat) under the auspices of Anand Agricultural University, Anand (Gujarat). Activities mainly included two kinds: Regular and Special.

The report is divided in two parts. Part I comprises the regular activities carried out during the whole year on various occasions including national days. The activities conducted are briefly described along with some suitable photographs. Part II comprises the special activity conducted as a special camp organized at Ambali Primary School. Doctor na Muvada, Godhra, Dist: Panchmahal, Gujarat.

## **Coverage**

National Service Scheme (NSS) has grown over the years and it is implemented today with an involvement of more than 2.6 million volunteers spread over *in 200* Universities, Polytechnics and +2 Systems. The efforts of NSS volunteers have been widely acclaimed by the community, universities, colleges and general public as the NSS volunteers have been rendering selfless service to the community.

## **Motto**

### **"Not Me but You"**

The Motto of NSS "Not Me But You", reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students develop appreciation to other person's point of view and also show consideration to other living beings. The philosophy of the NSS is well doctrined in the belief that the welfare of an individual is ultimately dependent on the welfare of the society as a whole and therefore, the NSS volunteers shall strive for the well-being of the society.

## **Symbol**

The symbol comprises wheel that portrays the cycle which is never ending and takes start at any moment of time in the life. The symbol stands for continuity as well as change and implies the continuous striving of NSS for social change. The eight bars in the wheel represent the 24 hours of a day. The red colour indicates that the volunteer is full of young blood that is lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is however a tiny part, it is ready to contribute its share for the welfare of the mankind.

## **AIMS AND OBJECTIVES OF NSS**

The objectives of National Service Scheme are to arouse in the students social conscience and to provide them with opportunity:

- To work with/ among people
- To engage in creative and constructive social action
- To enhance their knowledge of themselves and the community
- To put their scholarship to practical use in mitigating at least some of the problems
- To gain skill in program development to enable them for self-employment
- To bridge the gulf between the educated and the uneducated masses
- To promote the will to serve the weaker section of the community
- To practice national integration
- To develop capacity to meet emergencies and national disasters
- To acquire leadership qualities and democratic attitude
- To identify the needs and problems in the community in the solution of which they can be involved.
- To develop among themselves a sense of social and civic responsibilities

## **B.Tech (Agril. Engg.)students virtually participated in Pariksha pe Charcha 2021**

Hon. Prime Minister Shri Narendra Modi on 7<sup>th</sup> April, 2021 (Wednesday) at 7.00 PM interacted with students, teachers and parents. This year's Pariksha Pe Charcha was the fourth edition of the event and PM Modi interacted with all of them in virtual mode due to the COVID pandemic condition.

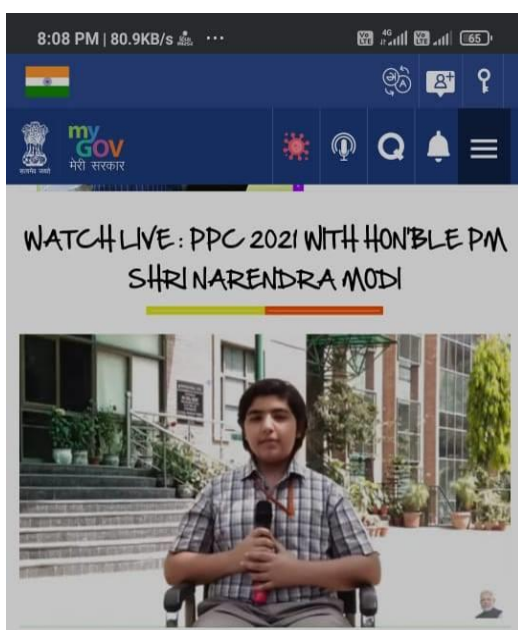

The first and second year students (about 50 students) of B. Tech (Agril. Engg.), College of Agricultural Engineering and Technology, AAU, Godhra were also virtually participated in Pariksha Pe Charcha 2021 program and get benefited with some important tips given by Hon. Prime Minister Shri Narendra Modi.

In this programme, PM Modi answered the questions of students on how they can beat exam stress. Along with this the Prime Minister also shared some important tips on how to perform well in the upcoming board exams. Prime Minister Narendra Modi was replied to concerns raised by students regarding stress caused due board exams.

Some Highlights of the programmes were given here:

- 1) PM Modi say deal with the difficult topics first during studying and then easy topics can be dealt easily later on. Don't run away from difficult topics.
- 2) When you earn free time you value it the most. During studies when you get free time you should use it to increase their curiosity towards doing productive things. But stay away from such activities which can waste all your time. In free time sports, music, painting etc are good ways of expressing your emotions in positive manner.
- 3) Students should learn to associate themselves with what they are reading to improve their memory. It is imperative for students to visualise when they are reading a subject so that they can internalise it.

- 4) Students should remain calm while attempting their question paper. One should leave stress outside the examination hall. This way, students will be able to attempt their exams in a better way.
- 5) All those things that we missed badly during corona has made us realise about their importance. We should not forget their importance after corona gets over. This period has also strengthened the emotional bond in family.
- 6) Prime Minister Narendra Modi tells parents to work towards reducing the generation gap between them and their children. They should stay connected with their children and listen to them and try to understand them. This will be helpful for both parents and their children.

## Celebration of

## Rashtriya Ekta Diwas (National Integrity Day)

India is a diverse country where people belong to different cultures, region, religion, caste, ethnicities and more. To commemorate the birth anniversary of Ace leader and politician Sardar Vallabhbhai Patel, National Unity Day is being celebrated on October 31 across the country. **‘National Unity Day or Rashtriya Ekta Diwas’** is celebrated today, i.e. October 31 since 2014, in regard to the birth anniversary of the **‘Iron Man of India’, Sardar Vallabhbhai Patel**. To respect his unimaginable efforts, the Government of India introduced National Unity Day on his birth anniversary. In 2018, Prime Minister Narendra Modi unveiled the tallest statue in the world - Statue of Unity of Sardar Vallabhbhai Patel, which is about 182 cm tall, stating that it is the symbol of integrity and resolve. Sardar Patel played a major role in the Integration of India (Ek Bharat) from over 560 princely states. To acknowledge his efforts in uniting the nation, India celebrates National Unity Day or Rashtriya Ekta Diwas on his birth anniversary.

NSS unit of College of Agricultural Engineering and Technology, AAU, Godhra celebrated Rashtriya Ekta Diwas on 27<sup>th</sup> October, 2021. In the beginning, NSS volunteers (35 nos.) took an oath to preserve the unity, integrity and security of the nation in the spirit of unification of the county. The programme started with the impressive speeches made by the Mr. Padhya Ansul and Miss. Nisha Parmar on the life, history and the role of Sardar Patel in the freedom struggle to establish a harmonious society. The programme

ended with Run for Unity by the students. The whole programme was framed and implemented by Dr. Kamlesh Jethva, Programme Officer under the guidance of Dr. R. Subbaiah, Dean, CAET, AAU, Godhra.
