About AAU

Anand Agricultural University (AAU) was established in 2004 at Anand with the support of the Government of Gujarat. It was carved out from erstwhile Gujarat Agricultural University (GAU), the dream institution of Sardar Vallabhbhai Patel and Dr. K.M. Munshi. The AAU was set up to provide support to the Farming community in three facets namely Education, Research and Extension activities in Agriculture, Horticulture, Engineering, Product Processing and Home Sciences. AAU offers degree courses for higher education (UG & PG) in diverse streams of Agriculture and allied science like MBA (International Agribusiness), Agricultural Information Technology, Food Processing Technology & Bio-energy and Agricultural Engineering & Technology. AAU's activities have expanded to newer commodity prime areas such as soil health card, Bio-fertilizer, medicinal plants apart from the mandatory researches on rice, maize, tobacco, vegetable crops, fruit crops, forage crops, animal breeding, nutrition, dairy products etc. The core of AAU's operating philosophy however, continues to create partnership between rural people and committed academicians and basics for sustainable rural development. In pursuing its various programmes AAU's overall mission is to promote a continuous process of development of sustainable growth and economic independence in rural society. AAU aims to do this through Education, Research and Extension education. Thus, AAU works towards the empowerment of the farmers. AAU has been positioned among to 100 Universities of India by NIRF, GoI in year 2017 to 2019. AAU secured 4th position in the category of Govt. and Govt. aided Universities at National level in the Atal Ranking of Innovation Achievement (ARIIA)-2020. Recently awarded 20th Rank at National level by ICAR. Its delighted fact that among Agricultural Universities, AAU ranked at top across whole Gujarat.

Foundation of College of Horticulture

Middle Gujarat is also rich in diversified soils and climate which is suitable for many horticultural crops. The main horticultural crops are banana, mango, chiku, acid lime, guava, onion, potato, brinjal, cabbage, cauliflower, chilli, okra and tomato etc. It is essential to improve the quality and market potentiality of horticultural crops with employment generation which needs human resource development, entrepreneurs, professionals, etc. through horticulture education. Looking to the need of region, the proposal for College of Horticulture, made by the Anand Agricultural University, Anand was accepted by the Government of Gujarat. The college has been sanctioned as "Establishment of Horticulture Wing at AAU, Anand" by the Department of Agriculture & Co-operation, Government of Gujarat (GoG) vide resolution No. AKV-122011-3207-K-2, dated 17th April 2012(Appendix-6.4.1). It was started under edge of B. A. College of Agriculture, AAU, Anand from academic year 2012-13 for awarding the B.Sc. (Hons.) Horticulture degree with an initial intake of 50 students.

The College of Horticulture is constituent college of Anand Agricultural University (AAU), situated at main campus in heart of Anand of the Gujarat State. Horticulture wing was declared as College of Horticulture with recommendation of 43rd meeting of Academic Council and approval in 44th meeting of Board of Management on 1st May, 2017. Various departments of different disciplines were also approved in 46th meeting of Board of Management on 8th September, 2017.The College of Horticulture is functioning as per the ICAR norms.

From the desk of Vice Chancellor

Dr. K. B. Kathiria
Vice Chancellor
Anand Agricultural University

I am happy to learn that the College of Horticulture, Anand Agricultural University is bringing out the "Placement Brochure 2020-21".

Over the years, horticulture has emerged as one of the potential agricultural enterprise in accelerating the growth of economy. Its role in the country's nutritional security, poverty alleviation and employment generation programmes is becoming increasingly important. It offers not only a wide range of options to the farmers for crop diversification, but also provides ample scope for sustaining large number of Agro industries which generate huge employment opportunities. At present, horticulture is contributing 24.5% of GDP from 8% land area. Gujarat has a strong contribution to the Indian horticulture sector. At all-India level, the State contributes from 14 to 20 percent share in major fruit and vegetable crops.

College of Horticulture started with an essential task of creating able and result-oriented human resource and technical expertise in the field of horticulture. An overview of illustrious alumni of the Institute amply explains its endeavour of making best possible efforts to expose students to contemporary knowledge and issues to enhance their understanding and competence, which is fairly visible by their presence across the world.

I, on the behalf of Anand Agricultural University, extend my warm welcome to all the public and private sector companies to visit the Capital of Knowledge and provide appropriate platform to the young and vibrant minds of Institute.

From the desk of DSW

Dr. D. H. Patel
Director Students' walfare
Anand Agricultural University

The wait is finally over for the best minds we have, to be exposed to the outer world which is ready to test and absorb them. I assure you that your expectations will not just be met, but will be surpassed substantially. The Institution provides students with vibrant environment, world class faculty, superb infrastructural facilities, a gamut of extracurricular activities and a conducive environment for an all-round growth. The institute has glorious past and strong legacy of stalwarts.

At College of Horticulture, AAU our young and dynamic graduates undertake their transformational endeavour not only through academia but also through diverse co- curricular activities such as sports, arts, social responsibility, hobbies and interest. We have a highly enriched pool of talent who is abreast to the imminent challenges and changing demand of this agrarian society. Henceforth we look forward to help you meet your recruitment objectives and reduce your recruitment search cost by helping you select from our forte.

From the desk of Dean

Dr. N. I. Shah
Principal & Dean
College of Horticulture

I am delighted to present the placement brochure of the College of Horticulture, Anand Agricultural University, Gujarat for 2021-2022 batch. The Institute of College of Horticulture, Anand Agricultural University carries a legacy of 8 years as one of the premier founding Institute of Agricultural education in the India.

College of Horticulture provides participants with a robust understanding of concepts of development, its various tools and strategies and its implications for society on the whole. The uniqueness of the course is its well-crafted Experiential Learning program (ELP) and Rural Horticultural work experience program (RHWE) in which participants spend two semesters (1 year) in actual field conditions to gain hands-on experiences of development realities under the able guidance of experts. Interactive Learning components includes courses on Fruit science, Vegetable science, Floriculture and Landscape Architecture, Post harvest Technology, Natural Resource Management, Plant protection, Finance and other related subjects, that are taught with development orientation. The course aims at grooming socially responsible, sensitive, committed and competent professionals for meeting future challenges.

Our students are equipped with the necessary skills to become successful technologist and global leaders who can steer the world in the direction of inclusive growth and development. Our alumni have made their mark in various fields and their achievements stand as a testimony to our institute endeavour

I encourage all the start–ups, make in India initiatives, leading Agro commercial and Agro industrial organizations to conduct on campus recruitment and offer mutually beneficial career opportunities to the student of our institute. We will continue to bind long lasting and mutually beneficial relationship with recruiters.

About College of Horticulture

College of Horticulture was established in the year 2012 under the aegis of Anand Agricultural University. The CoH offers 4-years B. Sc. (Horns.) Horticulture.

At present, UG programme is being offered by the college with intake capacity of 77 students and since its establishment (2012), total 210, graduate students have earned their degree and most of them have been continuing their higher studies and also working in the various fields of horticulture in India and abroad. The College has achieved remarkable progress in teaching, research and extension programmes since its inception.

MISSION:

The key mission of College of Horticulture is to impart education in the field of horticulture science coupled with research and extension activities. Following objectives have been decided in order to achieve these mandates

OBJECTIVES:

- To create the facilities for imparting UG education in Horticulture discipline like fruit, vegetable, flower, plantation and medicinal crops as well as on post-harvest technology.
- To conduct the research on various aspects of Horticulture.
- To develop skill in the students and gaining knowledge through experiential learning in Horticulture and through rural horticulture work experience.
- To organise horticultural based trainings for the benefits of farmers & rural youth.

GOAL:

- To develop human resource in horticulture field to serve the society.

POTENTIAL EMPLOYER/CLIENTS:

- Agricultural/Horticultural Universities
- Agriculture, Farmers, Welfare and Co-operation Department, Gujarat
- Public Sector Undertaking (PSU) or a Public Sector Enterprise (PSE)
- NGO's
- Private Co-operatives
- GSFC
- GNFC
- Government/Private Nurseries
- Tissue culture Laboratories and Hardening Units
- Landscaping and gardening consultancies
- Food Processing Industries
- Pesticide Industries
- Agro-seed Industries
- Protected cultivation management
- NHAI

SCOPE:

The horticulture is the basket of various nutritional, medicinal as well as aesthetic crops like fruit, vegetables, flowers &ornamental crops, medicinal and aromatic crops, spices and plantation crops. The commercial cultivation of bamboo, mushroom and even bee keeping are also further expanded the scope of horticulture. Horticulture provides three securities viz., nutritional security, food security and health security. Farmer can make their choice easily with consideration of the market for crop diversification. Horticulture has also capacity building to generate substantial employment opportunities through post-harvest and processing types of agro-industries, landscaping, consultancy, etc. The horticulture sector contributes around 28% of the GDP from about 13.08% of the area and 37% of the total exports of agricultural commodities. The total area and production of horticultural crops in country was only 15.10 million hectares with 146.20 million tons during 1998-1999 which raised and reached up to 23.78 million hectares with 283.36 million tons during 2017-18. Similarly, for Gujarat, the sector was very poor in 1998-1999 with only 5.89 lakh hectare area and 59.49 lakh metric tons production which was only 5% of total cropped area of the state. But from last decade, it is with high jump and reached 16.87 lakh hectare with 234.35 lakh metric tons during the year 2017-18.

Infrastructure Facility

Laboratory

CoH facilitated with eight laboratories viz., plant protection lab, PHT lab, Soil science lab, computer lab, Fruit science, Vegetable science and Floriculture labs which are fully furnished with modern instruments and equipment.

Smart Class room:

Many technologies enhanced learning class rooms with huge variety of digital tools like smart board, projector, desktop, laptop, microphones, A.C., internet and other hardware devices are present in order to give a way to smart education.

Seminar hall and Conference room:

There is large seminar hall with a capacity of 100 seats and well equipped with projector, marker board, and A.C. facilities.

24 seated conference room with well-equipped facility available in college for student activities.

Infrastructure Facility

Research Farms:

There are many research fields including organic plot for all the departments present in college gives more practical exposure to the students of the college.

Protected cultivation facility:

Our college has three Polyhouse and three net house for experiments under protected cultivation which gives more practical exposure to students.

Nurseries:

Fruit nursery, Vegetable nursery and floriculture nursery well developed at college level for provides practically knowledge as well as research objectives for nursery management.

Hydroponics:

Hydroponics project available at horticulture farm for demonstration and practically used by students. The basic concept of a hydroponic farm is that water is substituted for soil. Solutions are then added to the water to provide easily accessed nutrients for a healthy yield. The nutrients added to the water may include phosphorus, nitrogen, calcium, potassium, and many more, depending on the plants being grown.

Infrastructure Facility

Library

The College library is available at College of Horticulture and students are using various books, journals, thesis, magazines etc. for their study and reference purpose. Further, students are also using Central Library of University campus.

Sports Complex :

Large sports complex as well as sports ground is available for all students of university. Sports complex has facility for sports like Badminton, Chess and Table tennis. It also has multiple purpose complex with GYM facility for university students. There are large playgrounds of football, cricket, basketball and volleyball

Health Centre :

There is a health centre in AAU where all students and staff of AAU get free medical checkup as well as Medicine. The health centre is collaborated with Krishna Hospitals, Karamsad which appoints doctors for the same. It has Indoor patent admit facility and owns pharmacy to provide prescribed medicine free of cost for AAU students and staff.

Faculty Profiles

Sr. No.	Name of faculty	Designation	Qualification	Specialization
1.	Dr. N. I. Shah	Principal & Dean	Ph.D. (Horti)	Fruit science
2.	Dr. B. N. Satodiya	Associate Professor & Head	Ph.D. (Horti)	Vegetable science
3.	Dr. R. R. Gajera	Associate Professor& Head	Ph.D. (FPT)	Food Processing
4.	Shri. M. R. Parmar	Assistant Professor	M.Tech. (FPT)	Food Processing
5.	Dr. D. D. Parekh	Assistant Professor	Ph.D. (Horti)	Fruit science
6.	Dr. A. H. Barad	Assistant Professor & Head	Ph.D. (Ag. Ento)	Entomology
7.	Dr. B. L. Dudhat	Assistant Professor & Head	Ph.D. (Ag. Econ.)	Economics
8.	Dr. D. R. Paradva	Assistant Professor	Ph.D. (Horti)	Fruit science
9.	Dr. A. V. Kotecha	Assistant Professor& Head	Ph.D. (Horti)	Fruit science
10.	Shri. U. C. Chaudhary	Assistant Professor	M.Sc. (Flori.)	Floriculture and landscaping
11.	Dr. A. B. Parmar	Assistant Professor& Head	Ph.D. (Horti)	Fruit science
12.	Dr. H. N. Prajapati	Assistant Professor	Ph.D. (Pl. Patho.)	Plant Pathology
13.	Dr. C. H. Raval	Assistant Professor& Head	Ph.D. (Agron.)	Agronomy
14.	Dr. Gita Chaudhary	Assistant Professor	Ph.D. (PBG)	Plant Breeding
15.	Dr. Prity Kumari	Assistant Professor & Head	Ph.D. (Ag. Stat.)	Agril Statistics)

PLACEMENT CELL ACTIVITIES

- Experts from different fields are invited for guest lectures on various personality development related topics.
- Students of this college also take part in various self-improvement programs organized by Directorate of Students 'Welfare, AAU, Anand.
- Various training programme for personality & skill development, self-sufficient programme, entrepreneurship training, etc. are organized by Directorate of Students' Welfare with coordination of College of Horticulture.
- Faculty members provide guidance to interested students for various state and national level examinations and also organize mock tests, group discussion session, and mock interviews to improve verbal and expressional skills of students.

ELP (Experiential Learning Programme) and visits

This phase aims to promote professional skills, entrepreneurship, knowledge and marketing skills through meaningful hands on experience and working project mode. Students acquire management capabilities including skills for project development and execution

Lime seed separation for nursery raising

Nursery media preparation

Filling media in plug tray for seedling raising

Drumstick Seeds sowing in polybags

Seasonal flower seedlings transplanting

Planting of ixora cuttings

ELP (Experiential Learning Programme) and visits

Visit of Centre of excellence on Vegetables, Vadrad

Visit of gerbera cultivation unit Department of Floriculture

Visit of Dragon fruit farm Bhuj

Visit of Vitrigold Biotech Anand

Visit of CHES Vejalpur

Visit of Progressive Farmer Nursery

STUDENT ACTIVITIES

Cultural Activities:

Students of College is involved in numbers of cultural activities like drama, mime, dance and literary competitions at Inter college, State and National level.

Sports:-

Students of college has participated in many sports events like Volleyball, Basketball, Cricket, Kho-Kho, Badminton, Table Tennis, Chess, Football, Athletics etc at Inter college, State and National level.

NCC:

National Cadet Corps is the integrated course in our curriculum where students are trained for parade and engaged in grooming the youth of the country into disciplined and patriotic citizens. Every year many students take part in camps and acquire A,B, and C certificate.

NSS:

National Service Scheme is also integrated course in our curriculum alternative to NCC. This is the service scheme where students engage in bringing awareness among the communities and aim at developing student's personality through community service. There is an annual camp for all NSS Students for 1 week in a village.

SEMESTER WISE COURSES

Faculty of Horticulture AAU, Anand as per fifth Deans' committee

Semester –I		Credits
FRT 1.1	Fundamentals of Horticulture	3(2+1)
VEG 1.1	Tropical and Subtropical Vegetables	3(2+1)
NRMH 1.1	Fundamental of Soil Science	3(2+1)
PHT 1.1	Fundamentals of food science and nutrition	2(1+1)
BSC 1.1	Elementary Plant Biochemistry	2(1+1)
BSC 1.2	Principles of Genetics and Cytogenetics	3(2+1)
BSC 1.3	Introductory Microbiology	2(1+1)
SSC 1.1	Information and communication technology	2(1+1)
SSC 1.2	Economics and Marketing	3(2+1)
SSC 1.3	Physical and Health Education	1(0+1)(NC)
	Total	**23(14+09)**

Semester –II		
FRT 2.2	Plant Propagation and Nursery Management	2(1+1)
FLA 2.1	Ornamental Horticulture	2(1+1)
NRMH 2.2	Soil Fertility and Nutrient Management	2(1+1)
NRMH 2.3	Water Management in Horticultural Crops	2(1+1)
PPT 2.1	Fundamentals of Plant Pathology	3(2+1)
NRMH 2.4	Agro-meteorology and Climate Change	2 (1+1)
BSC 2.4	Introductory Crop Physiology	2(1+1)
BSC 2.5	Principles of Plant Breeding	3(2+1)
SSC 2.4	Elementary Statistics and Computer Application	3(2+1)
SSC 2.5	Communication Skills and Personality Development	2(1+1)
SSC 2.6	National Service Scheme/National Cadet Corp	1(0+1)(NC)
	Total	**23(13+10)**

Semester –III		
FRT 3.3	Temperate Fruit Crops	2(1+1)
VEG 3.2	Temperate Vegetable Crops	2(1+1)
VEG 3.3	Precision Farming and Protected Cultivation	3(2+1)
FLA 3.2	Commercial Floriculture	3(2+1)
NRMH 3.5	Organic Farming	2(1+1)
PPT 3.2	Fundamentals of Entomology	3(2+1)
PPT 3.3	Nematode pests of Horticultural crops and their Management	2(1+1)
BSC 3.6	Elementary Plant Biotechnology	2(1+1)
BSC 3.7	Growth and Development of Horticultural Crops	2(1+1)
SSC 3.7	Physical and Health Education	1(0+1)(NC)
	Total	**21(12+9)**

Semester –IV		
FRT 4.4	Tropical and Subtropical Fruits	3(2+1)
FRT 4.5	Plantation Crops	3(2+1)
FRT 4.6	Breeding of Fruit and Plantation Crops	3(2+1)
VEG 4.4	Spices and Condiments	3(2+1)
FLA 4.3	Principles of Landscape Architecture	2(1+1)
PPT 4.4	Diseases of fruit, Plantation, Medicinal and Aromatic Crops	3(2+1)
PPT 4.5	Insect Pests of Fruit, Plantation, Medicinal & Aromatic Crops	3(2+1)
NRMH 4.6	Farm Power and Machinery	2(1+1)
NRMH 4.7	Soil, Water and Plant Analysis	2(1+1)
SSC 4.8	NSS/NCC/Physical Education & Yoga Practices	1(0+1)(NC)
	Total	**24(15+09)**

Semester – V		
FRT 5.7	Orchard and Estate Management	2(1+1)
FRT 5.8	Dry land Horticulture	2(1+1)
VEG 5.5	Potato and Tuber crops	2 (1+1)
VEG 5.6	Breeding of Vegetable, Tuber and Spice Crops	3 (2+1)
PHT 5.2	Post Harvest Management of Horticultural Crops	3(2+1)
NRMH 5.8	Weed Management in Horticultural Crops	2 (1+1)
PPT 5.6	Diseases of Vegetables, Ornamentals and Spice Crops	3 (2+1)
PPT 5.7	Insect Pests of Vegetable, Ornamental and Spice Crops	3(2+1)
SSC 5.9	Fundamentals of Extension Education	2 (1+1)
	Total	**22(13+9)**

Semester – VI		
VEG 6.7	Seed production of Vegetable, Tuber and Spice Crops	3(2+1)
FLA 6.4	Breeding and Seed Production of Flower and Ornamental Plants	3(2+1)
FLA 6.5	Medicinal and Aromatic Crops	3 (2+1)
PHT 6.3	Processing of Horticultural Crops	3(1+2)
NRMH 6.9	Introduction to Major Field Crops	2 (1+1)
NRMH 6.10	Introductory Agroforestry	2 (1+1)
NRMH 6.11	Environmental Studies and Disaster Management	3(2+1)
PPT 6.8	Apiculture, Sericulture and Lac culture	2(1+1)
SSC 6.10	Horti-Business Management	2(2+0)
SSC 6.11	Entrepreneurship Development and Business Management	2(1+1)
Total		**25(15+10)**

Semester – VII Experiential Learning Programme (ELP)

Following modules were finalized by SAU's under ELP as per Vth dean:

Course No.	Title of the Course	Credit Hours
HWE 7.2	Commercial Production of Horticultural planting materials	0+10
HWE 7.3	Post Harvest Handling and Value addition in Horticultural crops	0+10

Semester – VIII Rural Horticultural Work Experience Programme(RHWE)

FollowingRHWE courses offered for UG programme in Eighth Semester:

Course No.	Title	Credit Hours
RHWE 8.1	Visit to progressive farmer's field and NGO	0+2
RHWE 8.2	Educational tour	0+2
RHWE 8.3	University farms (JAU) and Visit to horticulture based industries of Saurashtra region	0+4
RHWE 8.4	University farms (AAU) and Visit to horticulture based industries of Middle Gujarat region	0+4
RHWE 8.5	University farms (SDAU) and Visit to horticulture based industries of North Gujarat region	0+4
RHWE 8.6	University farms (NAU) and Visit to horticulture based industries of South Gujarat region	0+4

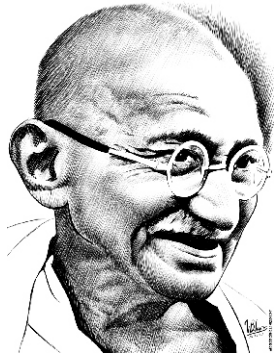
Horticulture basically deals with the art, science and technology of growing and cultivation of plants that include medicinal plants, fruits, vegetables, nuts, seeds, herbs, sprouts, mushrooms, algae, flowers, seaweeds and non-food crops such as grass and ornamental trees.

"My only desire is that India should be a god producer and no one should be hungry, shedding tears for food in the country."

-Sardar Vallabhbhai Patel



"Earth provides enough to satisfy every man's needs, but not every man's greed."

-Mahtma Gandhi
