

Two-day Personality Development Programme- “Igniting Minds”

A Personality Development Programme was organized by College of Food Processing Technology & Bio Energy, Anand Agricultural University, Anand in association with SMART Series, Bengaluru during March 14-15, 2017. The programme was inaugurated by Dr. N. C. Patel, Hon’ble Vice Chancellor, Anand Agricultural University, Anand. Dr. S. H. Akbari, Director of Students’ Welfare, AAU, Anand and Dr. D C Joshi Dean & Principal, College of FPTBE were also present. The two-days personality development programme – “Igniting Minds” was started with one to one interaction between the facilitator and individual students by Ms. Radha, Head - Content Services SMART Series Bangalore. Total 71 students of B. Tech (Food Processing Technology) participated in the programme.

First day’s training programme covered various topics, such as "Setting up SMART GOALS and ways to achieve them", "Time management", "Building up effective listening and communication skills", “Presentation Skills / Mock Presentation / Feedback” using power point presentation and questionnaire mode.

Second day’s sessions included various activity based modules to cover the topics such as “Effective Team work”, “Team collaboration”, “Leadership skills” and “Problem solving / Decision making”.

Students found the programme very useful for enhancement of their communication and inter personal skills and positive attitudes, and building up their personalities.
