

College of Agriculture, AAU, Vaso, organised Personality Development Programme

A two-day Personality Development Programme – “Ignite Young Minds” – was organised at College of Agriculture, AAU, Vaso on November 4-5, 2017. Dr. N.C. Patel, the Hon’ble Vice-Chancellor of Anand Agricultural University, Dr. S.H. Akbari, the Director of Student Welfare and Dr. Y.M. Shukla, the Principal of the college remained present in this programme. The Vice-Chancellor sir, in his inaugural address to the students, stressed on the importance of the personality development and advised the students to inculcate good habits and virtues in their day-to-day life. Dr. Y.M. Shukla and Dr. S.H. Akbari also encouraged the students for developing the positive attitude. Ms. Radhakrishna Narayanan, a trainer from Bangaluru, trained the students for the personality development. Total 70 students were trained during this programme. The programme consisted different modules on time management, critical thinking, problem-solving, planning, communication skills, leadership development, etc. This programme was conducted through different activities for practical learning.
