

International Training Workshop

Modelling pathogen prevalence and risk in livestock production

- Applications are invited from early-career scientists (MSc and PhD students, postdoctoral scientists) to attend an International Training Workshop focused on 'Modelling pathogen prevalence and risk in livestock production'.
- Applicants working in the areas of **One Health, Veterinary Medicine** and **Agricultural Science** are encouraged.
- Course content for up to 25 delegates to include
 - Veterinary/zoonotic pathogen biology - Prof Fiona Tomley, Dr Damer Blake [RVC]
 - Molecular biology and bioinformatics - Prof C.G. Joshi, Dr P.G. Koringa [AAU]
 - Epidemiology and Risk Assessment - Prof Javier Guitian [RVC]
 - Mathematical modelling - Dr S. Shivakumara [IBAB]
Dr Arni. S. R. Srinivasa Rao [GRU]
- Course location and dates
 - Anand Agricultural University, Gujarat, India (<http://www.aau.in/>)
 - Arrival Wednesday 10th July, 2013
 - Course concludes Saturday 13th July, 2013
- Support provided by DFID and BBSRC (UK):
 - No registration fee
 - Accommodation and subsistence provided during the workshop
- To apply please submit the following documents to AAUworkshop@rvc.ac.uk by **Wednesday 15th May, 2013**
 - Covering letter
 - Short curriculum vitae (no more than two pages)
 - Letter of support from your supervisor

- Results to be announced by **Saturday 1st June, 2013**

- Further details: <http://www.aau.in/> or contact AAUworkshop@rvc.ac.uk
