Furthering the objective of cohesive bonding among the alumni, the FPTBE Alumni Association is striving to organize various activities throughout the year. The Alumni Association feels a great pleasure in organising its 4th Convention and Felicitation Programme on Saturday, the 1st June 2019 at your Alma Mater. As Founder President of the Alumni Association, it is the proud moment for me in bringing out the Souvenir on the occasion. I am really fortunate to be associated with your college since its conceptualization, foundation, initiation of academics and development to a full-fledged State-of-Art institution of higher learning. It is also a great satisfaction for me to serve the college for quite a long period and overcoming many challenges on the way in getting it developed and recognized both at National and International level.

I am proud of our alumni for their contribution both to their employer as well as to the profession. Golden memories of student life and contribution of Alma Mater in the academic advancement cannot be forgotten even after achieving the success in career and establish yourself in the professional world. I believe that Alumni Association is a perfect platform for all of you to meet your peers and teachers and revive the contacts.

As a part of the Alumni Meet, we are commencing a regular yearly event of felicitating the outstanding alumni. This year, the alumni of the pass out batches of 2007, 2008 and 2009 are being felicitated. I congratulate all of them for their achievements and wish them a great success both in the personal life and professional career. I hope you will continue to work hard and will remain actively associated with your Alma Mater.

I am looking forward to welcoming all the alumni, students and faculty to the Convention and seeing this as an opportunity for me to meet and share the experiences.

I wish the Convention and Felicitation Programme of the FPTBE Alumni Association a grand success. I sincerely extend my best wishes to the college for its further growth and developing it to be a global institution of eminence.

Email : deanfpt@aau.in

It is indeed a great pleasure for me know that the FPTBE Alumni Association, faculty members and students of College of Food Processing Technology and Bioenergy, AAU are organizing 4th Alumni Convention on 1<sup>st</sup> June, 2019. As a part of the Convention, outstanding Alumnus are also felicitated by the FPTBE Alumni Association for their overall achievements and contributions. A SOUVENIR is also being brought out by the alumni association to commemorate this occasion.

It is my great fortune that I have been associated with this college since its inception as Teacher, Head of Department and now as Dean. I have witnessed all the events of its growth to this level. The contributions of the founding team of faculty and the enthusiasm of the students are unforgettable. We are proud of the modern infrastructure and the world class facilities the college possesses. It is our endeavor to strive for further development of the college and its alumni.

I congratulate the FPTBE Alumni Association to organize the 4th Alumni Convention, the technical talk and the felicitation programme for 2007-08-09 batches. I believe that your suggestions, contributions and association with alma mater is imperative for its becoming a college of global repute. It is also definite that your hard work and professional advancement in your career will bring credit to the alma mater. Your association with each other will also help you to achieve success in the career.

I sincerely extent my best wishes to all the students, faculty members and alumni of this college on this occasion and wish all round success of the Alumni meet 2019 and publication of Souvenir.

The Alma Mater of an individual is a place where the life takes its form, from making friends to discover one's field of interest to transform into what we are today. The impetus that institute provides to each and every individual is a gift to be cherished throughout one's life.

The College of Food Processing Technology and Bio-Energy, Anand Agricultural University, Anand has been a crucial platform in career building of many students since year 2005 for post graduation and 2009 for under graduation in Food Technology. The college share the concept that the Alma mater is not just an academic center but also a place for proper grooming of every individual in all fields so as to make them a capable citizen of the country. It is with this intent that for about 15 years now, the college has and will continue to develop professional technologists and leaders for the nation and the world.

FPTBE Alumni Association is a body serving to connect each of us to the College and fellow Alumni. We are on a path to build a strong alumni base with high intellect who have excelled in all spheres of life and have brought name and fame for themselves and the institute. It is now time to come back to the institute and share our exposure with students and faculty. This networking would be a pleasure for continuing students while they interact with Alumni. This will be beneficial to them in all possible ways, such as career guidance, endowment, lectures, working towards start-ups and helping each other.

I, on behalf of the Association, invite all the Alumni of College of Food Processing Technology and Bio-Energy, Anand Agricultural University, Anand wherever they may be, to join us in serving the Alma mater by becoming the active member of the FPTBE Alumni Association.

I avail this opportunity to extend my warm greetings to all the alumni who are part of this year felicitation program and my best wishes to all the office bearers, faculty members and students for the success of organizing a special interactive Technical Expert Talk as part of 4th FPTBE Alumni Association Convention at Anand.

(Baker Ninan Fenn)
