

Kisan Gosthi organized by ARS, Sansoli (5th of January, 2017)

On 5th of January 2017, Kisan Gosthi was organized at Amsaran village of Mahemdabad taluka. The programme was arranged to make farmers aware about different research and extension activities carried out at the centre and approach them to make a liaison with the agricultural scientists for betterment of farm productivity. Total 24 farmers of village get benefited in the said programme. Prof. S. A. Sipai (Assistant Extension Educationist) had made interaction with the farmers and solved out their problems in different aspects of crop husbandry and requested farmers to participate in various skill development programmes carried out by Farm Technology Training Centre (FTTC)-Nenpur and keep themselves updated about newly arrived technologies in agriculture and allied sectors.
