

## **Participation in Pre Vibrant Gujarat-2017 by Agricultural Research Station, Sansoli organized at Mahatma Mandir, Gandhinagar**

On 2<sup>nd</sup> of September 2016, a mega seminar on “**Pre Vibrant Agro & Food Processing: Growth Opportunities through Sustainable Agriculture and Food Processing**” organized at Mahatma Mandir, Gandhinagar as a part of Vibrant Gujarat programme-2017. Fifty five farmers of Mahemdavad taluka attended the seminar to get exposure of innovative/novel technologies regarding agro and food processing. They were also inspired during technical session through success story of progressive farmers and talks of distinguished speakers in the seminar. Prof. M. B. Zala, Assistant Research Scientist and Prof. S. A. Sipai, Assistant Extension Educationist participated in the said programme.
