An expert talk organised by FPTBE Alumni Association, Anand Agricultural University, Anand

An expert talk on "To make students industry ready along with the latest developments in the industry as well as master studies" was organized by FPTBE Alumni Association at the college of FPTBE, Anand Agricultural University on March 21, 2023 during 3pm to 5pm. Under the guidance of in-charge Principal and Dean Dr. Dhaval Kathiria, co-ordinator Dr. Amee Ravani played an important role in organising this expert talk. Alumni of the college Ms. Shivani Patel who is currently working as Technical Manager, ETG Commodities Inc at Mississauga, Canada was invited as an expert who provided excellent inputs to the subject concerned. She emphasised on positive attitude, prompt decision-making, boldness, self-confidence etc. to students for successful career with very interesting personal experiences in her speech. All post-graduate and 3rd year under graduate students attended this expert talk and got benefited. Dr. Hetal Bhatt proposed vote of thanks.
