

ASSET MAPPING BY STUDENTS

Empowering Panchayati Raj Institutions Spatially (EPRIS) project is sponsored by NRSC ISRO, DOS, Govt. of India, Hyderabad. For endowing panchayati raj institutions and citizens for spatial, integrated decentralized planning in India, asset mapping at panchayat level for **20 gram-panchayat of Kheda, Gujarat** was done by students of **College of Agricultural Information Technology (CAIT), AAU, Anand** using Bhuvan-panchayat mobile application and this activity was coordinated by Prof. M. P. Raj, Assistant Professor. Students of CAIT will be paid Rs. 2000/- for mapping various assets (like civic amenities/ infrastructure assets, governance assets, human and livestock resource assets, natural resources assets, productive assets) of each gram-panchayat.
