## B.Tech (Agril. Engg.) students virtually participated in Pariksha pe Charcha 2021

Hon. Prime Minister Shri Narendra Modi on 7<sup>th</sup> April, 2021 (Wednesday) at 7.00 PM interacted with students, teachers and parents. This year's Pariksha Pe Charcha was the fourth edition of the event and PM Modi interacted with all of them in virtual mode due to the COVID pandemic condition.

The first and second year students (about 50 students) of B. Tech (Agril. Engg.), College of Agricultural Engineering and Technology, AAU, Godhra were also virtually participated in Pariksha Pe Charcha 2021 program and get benefited with some important tips given by Hon. Prime Minister Shri Narendra Modi.

In this programme, PM Modi answered the questions of students on how they can beat exam stress. Along with this the Prime Minister also shared some important tips on how to perform well in the upcoming board exams. Prime Minister Narendra Modi was replied to concerns raised by students regarding stress caused due board exams.

Some Highlights of the programmes were given here:

- 1) PM Modi say deal with the difficult topics first during studying and then easy topics can be dealt easily later on. Don't run away from difficult topics.
- 2) When you earn free time you value it the most. During studies when you get free time you should use it to increase their curiosity towards doing productive things. But stay away from such activities which can waste all your time. In free time sports, music, painting etc are good ways of expressing your emotions in positive manner.
- 3) Students should learn to associate themselves with what they are reading to improve their memory. It is imperative for students to visualise when they are reading a subject so that they can internalise it.

- 4) Students should remain calm while attempting their question paper. One should leave stress outside the examination hall. This way, students will be able to attempt their exams in a better way.
- 5) All those things that we missed badly during corona has made us realise about their importance. We should not forget their importance after corona gets over. This period has also strengthened the emotional bond in family.
- 6) Prime Minister Narendra Modi tells parents to work towards reducing the generation gap between them and their children. They should stay connected with their children and listen to them and try to understand them. This will be helpful for both parents and their children.
