Sub: Reconsidering of the design of ASPEE Gold Plated Silver Medal

It is a matter of pleasure that ASPEE Foundation had sponsored ASPEE Gold Plated Silver Medal for B.A. College of Agriculture, Anand Agricultural University, Anand. However due to difference in the design of the aforesaid medal we could not give the same during 17th Annual Convocation-2021. The matter was discussed by the Board of Management in its 54th meeting held on 29/01/2021. According to the minutes of the said meetings, considering long standing contribution of ASPEE Foundation for the welfare of farming community, we once again request you to accept our medal design which is on the line of all other medals of Anand Agricultural University (i.e. on the front side of the medal details of donor, students, year and on the other side of the medal University logo are engraved).

If you agree it will be a matter of happiness for us else we could be sorry to continue your proposal. I request you to send your reply as early as possible.

Thanking you.

With regards,

**Director
Students' Welfare**
