Dr. R.V. Vyas, Hon. Vice Chancellor, Anand Agricultural University acted as a panelist of agriculture sector in a DD News special programme telecasted worldwide on 15/12/2020. During the programme, Dr. Vyas briefed about latest agricultural developments in Gujarat State, described about success stories of Contract Farming in crops like; potato, cash and medicinal crops benefitting farmers as per scheme for contract farming in Gujarat which was launched since 30/03/2005 by Shri Modiji. Moreover, in two decades, agricultural growth is due to water harvesting and saving policies of Govt. of Gujarat. Gujarat farmers and dairy sectors managed Milk supply during tough time of Covid-19 pandemic and keep the agricultural economy moving.
