

Expert Talk by Mr. Nitin Tailor at FPTBE, AAU, Anand

The Student Startup & Innovation Cell of the College of Food Processing Technology & Bio Energy, AAU, Anand organized an expert talk of Mr. Nitin Tailor, CEO & Founder, Serve Happiness Foundation, Bharuch on 1st August, 2018 for the benefit of all final year undergraduate and post graduate students of the university. After the floral welcome by Dr. D C Joshi, Dean & Principal, Mr. Tailor delivered his presentation on the topic of **“Present Scenario, Status and future scope of Food & Agricultural Entrepreneurs in Gujarat”**. The talk was highly motivational especially for those who would like to become successful entrepreneurs in life and want to be job provider rather than job seeker. Talk was very much effective in providing a roadmap for starting a business especially when the individual is ready to take decisions related to their choice of career. Lecture like this helps students of final year, who are many a time baffled with indecisive situations and find it a herculean task to get answers. Keeping this into knowledge, Mr. Tailor emphasized on different types of scope and areas of opportunities available for starting food and agriculture entrepreneurship.

He stressed that motivation for becoming entrepreneur comes from the inside and surrounding nature. The interactive session with the students on food and agriculture entrepreneurship benefitted university students for thinking in the new direction for becoming a job provider.
