**ONE DAY ENERGY CONSERVATION AWARENESS WORKSHOP**

On the occasion of “Akshay Urja Divas – Renewable Energy Day” a one day workshop on “**ENERGY CONSERVATION AWARENESS**” has been organized jointly by College of Food Processing Technology & Bio-Energy, AAU, Anand and Gujarat Energy Development Agency, Gandhinagar on 20-08-2018. In this workshop around 90 students of final year B. Tech & M.Tech of FPTBE and SMC College of Dairy Science have registered. Also, around 20 members faculty have participated in the workshop. The convener of the registration activity was Er. J.P. Rathod, Senior Research Assistant of Bio Energy Department.

At first lightening of lamp by delegates have been taken place. Then welcome speech was given by Dr. D. C. Joshi, Principal & Dean, College of FPTBE regarding importance of energy conservation. Dr. S. S. Kapdi, Professor & Coordinator of the event has given a power point presentation on energy conservation & auditing. Later Er. B. N. Raval, has given a brief description about the workshop. Finally vote of thanks has been proposed by Dr. S. S. Kapdi.

The whole workshop contained three technical sessions. In technical session –I Dr. B. G. Desai has given a power point presentation regarding various energy conservation projects, schemes, energy conservation act etc. Moderation of energy usage and latest technologies have been briefed under this technical session. In technical session – II, Er. B. N. Raval has shown some interesting video clips regarding how to conserve energy at household level by employing simple techniques. Also he explained how to use electronic gadgets in a safe manner. The best part of the workshop is display of various energy related gadgets in mobile van provided by GEDA which consists of many home related appliances. Demonstration on how to use the home appliances effectively by conserving the energy has been given by Er. B. N. Raval and Dr. B. G. Desai. The last session was interactive session where there is an active participation of students took place. This was headed by the coordinator Dr. S. S. Kapdi. Hence the workshop has been ended by the quote “**ENERGY IS LIFE – CONSERVE IT**”.

**“SAVED ENERGY = ENERGY PRODUCED”**
