

## A Guest Lecture on

# 'Defining Crop Varietal Diversity using Metabolic Fingerprinting'

## Invitation for attending Guest Lecture

B. A. College of Agriculture, AAU & Center for Agricultural Market Intelligence under National Agricultural Higher Education Project (NAHEP-CAAST), Anand Agricultural University, Anand is going to jointly organize a Special Guest Lecture on "Defining Crop Varietal Diversity using Metabolic Fingerprinting". The detail of guest lecture, date and time are as follows:

### Guest Speaker

### Date & Time

### Prof. Luis Mur

Institute of Biological Environmental and Rural Sciences (IBERS)  
Edward Liwyd Building, Penglais Campus  
Aberystwyth University, Ceredigion, SY23 3DA  
Aberystwyth (UK)

21<sup>st</sup> June, 2023

10:00 hrs

Prof. Mur is Director of Research for Biology and Health at Aberystwyth University. He uses the latest 'omic' approaches to develop knowledge of a range of pathologies. He is visiting Professor of UNESP (Sao Paulo) in Brazil, the University of Silesia in Poland, and Northwest University in China. He has "recognised foreign expert" status at Shangdong University, China.

PG Students and faculties of concern disciplines of SAUs are cordially invited. They can take benefit of in-depth knowledge and rich experience of the Guest Speaker.

**Registration Link :** <https://forms.gle/giQmAVDhT78ToTH58>
