

PLANTATION CUM AWARENESS CAMPAIGN-2021

Benefits of planting trees is massive. As the world advances and pollutes the environment, the only possible way to make men realize the basics and to make him reunite with nature is to bring awareness on the planting of trees. The benefits of planting trees is multifarious that ranges from having a beautiful environment to preventing the global climate change. They are the primary source of food and they contribute significantly to the environment in many useful aspects. Therefore, National Service Scheme unit of the College of Agriculture, AAU, Jabugam celebrated online campaign on plantation and awareness with the theme, '**Har Med Par Ped**' as part of '**Celebration of India @ 75 – Azadi ka Amrut Mahotsav**' on 16th July, 2021 with joins hands with first year students of B.Sc.(Hons.)Agriculture & faculty members upon realizing the importance of plantation/trees in this covid pandemic condition, each student actively participated in this campaign from their home and they planted tree/plants in their home and nearby area and they also spread awareness about tree plantation among society. Whole programme was framed and circulated by Shri Arjunsinh Rathava, NSS Programme Officer under the guidance of Dr. Sunil R. Patel, Principal, CoA, Jabugam.
