

Quality seed production trainings organized by Department of Seed Science and Technology, B. A. College of Agriculture

Department of Seed Science and Technology, BACA, AAU, Anand organized three farmer's trainings programmes on “**Quality seed production in important crops of Gujarat**” consecutively during the months of August and September, 2016. Farmers from Dahod, Sabarkhantha and Tapi districts participated enthusiastically in these programmes.

Sr. No.	District	Duration	Number of farmers participated
1	Dahod	9 - 12 Aug. 2016	35
2	Sabarkhantha	30 Aug. - 02 Sept. 2016	31
3	Tapi	20-23 Sept. 2016	40

All the three trainings were inaugurated by Dr. Sasidharan N., Professor & Head, Department of Genetics & Plant Breeding, BACA, AAU, Anand. Experts from various departments and research stations of AAU delivered lectures on seed production in field and vegetable crops, pest and disease management, horticulture and tissue culture technology during these training programmes. The training programmes were successfully organized and coordinated by Assistant Professors Dr. Kalyanrao Patil and Mr. Anilkumar Ravat, respectively.
