

## **Leadership & Entrepreneurship Development Training Programme**

With the motto of grooming students' Leadership and Entrepreneurship Development skills, the training programme for students was jointly organized by National Council for Climate Change, Sustainable Development and Public Leadership (NCCSD), Ahmedabad and Anand Agricultural University on 8<sup>th</sup> and 9<sup>th</sup> December 2018 at College of Agricultural Information Technology. The students of third and fourth year of College of Agricultural Information Technology participated in this training programme. The expert faculties from NCCSD viz. Dr. I. R. Rathod, Dr. Mehul Thakkar, Dr. R. S. Patel and Mr. Hetal Pathak delivered lectures on CV writing, preparing for interview, igniting a spark within for responsible leader, goal setting and capacity building and need and importance of leadership and entrepreneurship. In feedback session students were assessed based on MCQ type of quiz. On 9<sup>th</sup> Dec 2018, in valedictory session students were awarded participation certificate and first three active participants were given trophy.
