

College plays an important role in the holistic personality development of students. Understanding the need of hour, a two day workshop on “Leadership & Personality development” was organized on 9th & 10th November-2017, by **NCCSD** (National council for climate change & sustainable development & public leadership) & **AAU** for the benefit of Students College of Agricultural Engineering & Technology at Godhra.

In inaugural session, Dr.R.Subbaiah, Principal and Dean welcomed all experts Dr. Rambhai Patel, Dr. Ramanbhai Patel, Dr.I.R. Rathod and, Dr. Madhusudan Vaja. The brief introduction of all the guests were given. And they explained the importance of this workshop.

The main objective of the Workshop was to familiarize participants with the emerging ideas and trends on how to develop personality in the 21st century contexts. The program also aimed to teach participants to work with various professionals, people and groups to understand the meaning of life and work in the present context, to enhance their communication skills and interpersonal skills in order to function in professional and social settings effectively.

FOLLOWING ARE THE SESSIONS COVERED BY THE EXPERTS DURING THE TWO DAY PROGRAM

Importance of Leadership and Personality Development;

Worlds Phsycology;

Facing Interview: **Dr.R.S.Patel**

Public Speaking: **Dr.Ramanbhai Patel**

Agricultural Business Practices: **Dr.I.R.Rathod**

Role play: **Experts and 3 Member Committee formed by Chairman SRC**

With 3 role plays the technical sessions came to an end. Role plays were judged by a committee formed with Mrs. Hetal Tanna, Er.J.Sravankumar(Asst. Professors-BEAS) & Er. Arvind Kunapara, Asst. Professor,SWE Dept.

All the students were performed extremely well as a team and portrayed mesmerized individual performances.

At the end, prize distribution for the winners is done in valedictory session with feedback from students, Chairman SRC, experts and closing remarks were given by the principal.
