The National Youth Festival in India is an annual gathering of youth with various activities including competitive ones. Celebrated to commemorate the birth anniversary of youth icon Swami Vivekananda, it is organized by Ministry of Youth Affairs and Sports, Government of India in collaboration with one of the State Governments. Thus it is held in a different state each year during National Youth Week, 12 to 16 January every year.

Objective:

The National Youth Festival began in 1995 as a major activity under the programme of National Integration Camp (NIC). In collaboration with one of the States and institutions like Nehru Yuva Kendra Sangathan (NYKS) and the National Service Scheme (NSS), the Government of India conducts this programme every year. Like the National Youth Festival, States are also encouraged to hold state level, district level and block level youth festivals in the same format as that of the National Youth Festival. The centre of the festival focuses on cultural aspects and a number of other programmes covering a wide variety of activities, which not only reflect the spirit of friendship but also peace and development.
