

Training Programme on Cropping Practices of Important *Kharif* Crops at ARS Sansoli (20th July, 2017)

One day training programme on “**Cropping Practices of Important *Kharif* Crops**” was organised at Farm Technology Training Centre-Nenpur on 20th July, 2017. Total 30 farmers of different villages of Kheda taluka enthusiastically participated in the said programme.

Dr. B. N. Patel (Unit Head, ARS, Sansoli) had elaborated the brief outline on research and extension activities carried out by the centre. Lecture on “Package of Practices for Important *Kharif* Crops” was delivered by Dr. J. K. Patel (Associate Research Scientist, ARS, Sansoli).

Lecture on “Extension Reforms for Development of Agricultural Sectors” was given by Prof. S. A. Sipai (Assistant Extension Educationist, ARS, Sansoli). For practical exposure to the farmers, a field visit of centre was also carried out.
