Major Activities Undertaken During Special Camp at Khadol Village

Day 1: Meeting with villagers and door to door survey in village

First day, NSS volunteers assembled at Ramji mandir chawk and sang a NSS Lakshya Song. A meeting was held with villagers and panchayat representatives including group co-operative sahakari mandli members, milk co-operative members and GUJCOMASOL Depot incharge. Special camp started with a survey in Khadol village through door to door visit with a group of 5 members covering many houses. Survey was done to find and understand the basic problems and needs of the villagers. During survey NSS volunteers got very useful information regarding education, sanitation, anganwadis, religious places, play grounds for children, major health problems in the village etc. At the end of the first day, team gathered and discussed about the day's activity and result of the survey.

Day 2: Cleanliness drive and tree plantation

A cleaning campaign was undertaken by all the groups of volunteers in area of common chawk nearby Ramdevji temple, Madhvanand Ashram, primary school and roads of Khadol. In the afternoon, tree plantation was done.

In our society it is believed that '*smashaan*' (crematorium) is an unholy and neglected place and people hesitate to go there. With a view to make "*smashaan*" beautiful place for regular sitting, a tree plantation was done in "*smashaan*" (crematorium). Tree Plantation was also done in primary school in which school teachers and students participated.

Day 3: Rally

On third day, road rallies were organized on three main social issues, namely stop food loss, food information and anti-addiction. Placards were prepared with slogans regarding food saving, nutritious food, to overcome malnutrition, relief from various addictions, i.e. drugs, tobacco, alcohol etc. The main aim of the rally was to create general awareness among the villagers.

Day 4: Quiz Competition and Wall Painting

In the morning, three groups conducted food quiz in the village high school and prizes were distributed to top three winners. In spite of their ongoing school examination, about 50 students took part in the quiz enthusiastically. At the same time, members of other groups did the activity of graffiti and slogan painting on wall.

In the afternoon, volunteers visited villagers' home for creating awareness about Thalassamia. The youth were encouraged to get screened for Thalassamia in the camp scheduled to be held on next day. Talks and discussion on the topics Fit India, Adarsh Pashuplan, Save Water, Adarsh Village, and Plastic Free Village were organized with the villagers.

Day 5: Thalassemia Screening Test and Awareness Campaign

Thalassemia Screening Test and awareness campaign was organized jointly by the College of FPTBE and Indian Red Cross Society. Before screening, short lecture about Thalassemia disease and its prevention was delivered by the members of Indian Red Cross Society. The villagers took part in the camp.

In the afternoon after a drama was performed on major social issue i.e. Beti Bachao Beti Padhao. In which, volunteers tried to showcase the importance of girl child and its role in society building.

Day 6: Gaming in primary school and Plastic Free Campaign

Traditional games were planned and competition was arranged among the primary school children of the village. Games were planned according to age group (standard 1 to 5, 6 to 8). At the end prizes were distributed to the top three winners in each category.

As a part of plastic free campaign, personal visit to all shopkeepers/vendors were done and they were explained how environment gets affected by the plastic and other debris and advised to keep a basket and put all the waste paper in it by live demo.

Day 7: Swachha Village

On the last day of the camp, Swachha Bharat Campaign with the motto 'One Step Toward Cleanliness' was organized. All volunteers actively took initiative toward the cleanliness of the village. Many villagers also took forward step in keeping their village clean and hygienic.

Valedictory Programme of the Camp

The valedictory function of the special camp was organized on 04th February, 2020 at Ambika Farm, Khadol. In the valedictory function, Dr. Dinesh H. Patel, Director, Students' welfare and Programme Coordinator, NSS, AAU, Dr. K.B. Kathiria, Dean & Principal, College of FPTBE and Dr. K.B. Kamaliya, Principal of PFSHE, AAU, Anand remained present. Village

sarpanch, ward members, taluka delegates, secretary of milk cooperative and other progressive farmers remained present. Chief Guest of the programme, Dr. Dinesh H. Patel, in his speech, highlighted the importance of NSS and also appreciated the students for carrying out various activities. Dr. K.B. Kathiria shared his college time NSS remembrances with the students and explained them how NSS is useful in life. Dr. K. B. Kamliya, in his speech congratulated students for taking part in special camp. The villagers spent valuable time with the volunteers and appreciated the efforts of the volunteers made during the camp. Finally, it was assured that in future all effective supports and activities, possible at the university end, would be extended to the village.

Outcome of special camp

The observations we have made during camp are:

- The volunteers had a very good opportunity and experience of village life
- The Volunteers learned the lesson of social service and understood the objectives of NSS
- Thalassamia camp was very helpful for the villagers
