

Pledge taking and cleanliness drives, Swachh Bharat Mission Vaso campus, AAU, Vaso – 387 380

Cleanliness is next to Godliness

As a part of fortnightly 'thematic' drives of Swachh Bharat Campaign, a program for Pledge taking and campus cleanliness was organised during first week of August 2017 at Vaso campus of Anand Agricultural University. All the students of College of Agriculture and Polytechnic in Agriculture as well as all faculties had whole-heartedly participated to take the Swachh Bharat Mission forward.

The cleanliness drive was started by taking "**Swachh Bharat Pledge**" by all the students and the faculties, and all have expressed commitment to remaining clean and give a time to voluntary work for cleanliness. Later, the students and faculties cleaned the entire campus and hostel premises.
