

Orientations programme was organized on 27th August, 2018 for newly admitted students of the first semester of B.Sc. (Hons) Agriculture

Orientations programme was organized on 27th August, 2018 for newly admitted students of the first semester of B.Sc. (Hons) Agriculture to provide information on the degree programme and introduce the teaching faculties of B. A. College of Agriculture, AAU, Anand. This programme was chaired by Dr. K. P. Patel, Principal and Dean, B. A. College of Agriculture. The Head of Department of various Departments gave information about the activities and various courses taught in their Department. The academic in-Charge, SRC/Gymkhana/NCC and NSS officers also gave the information to the students about different activities. The details of Student READY Programme (RAWE & ELP) was given by the Department of Extension Education and Communication. The documentary on “Gaurav Gatha of the Institute” and “BACA at A Glance” was also shown to the students to make them aware of the glorious history of the college and excellence of different Departments of the college.

At the end, Dr. K. P. Patel, Principal and Dean of the college congratulated the students for securing admission in BACA and choosing right profession. He emphasized that the agriculturists have tremendous role to play for the development of the nation in coming days. Also, Principal offered blessing to the students and expressed good wishes for their bright career in future. The programme was ended with vote of thanks.
