

KVK, Devataj celebrated 29th Foundation Day

KVK, Anand Agricultural University, Devataj celebrated “29th Foundation Day” on November 20, 2014. Programme Coordinator, Dr. G. G. Patel warmly welcomed all the farmers and invited guests for the programme. Chief Guest Dr. P. P. Patel, Director of Extension Education AAU, Anand suggested farmers to adopt university recommendation for maximum benefit and also insisted to take part in Winter Krishi Mahotsav programme to be held in December 2014 at Anand and attend seminar & exhibition on various activities of AAU.

Invited guest Dr. D. C. Joshi, Dean & Principal Food Processing Technology College, AAU, Anand briefed about Post harvest technology and value addition on crops, vegetables, fruits & milk. He also asked farmers to take agriculture as a business enterprise.

Dr. B. H. Patel District Nodal Scientist, Anand explained about methods of grain storage, rodent control and various conventional methods for saving the agricultural products.

Progressive Farmer Shri. Harshadbhai R. Patel advised farmers to adopt Organic Farming. He also narrated his experiences in value addition of vegetables, use of kitchen bio waste for biogas production.

Shri. S. M. Patel (I.A.S.) District Development Officer sent his message for grand success of programme and best wishes for future activities of KVK as he could not able to remain present for this programme due to his busy schedule with Gunotsava programme in district.

Mrs. A. B. Parmar, SMS (Horticulture) successfully anchored this programme. Dr. P. B. Patel, SMS (Plant Protection) proposed the vote of thank and expressed his gratitude to more than 100 farmers of different villages including Farm women for attending the foundation day celebration of KVK, Devataj.
