Report on Tree Plantation

On 23rd March, 2021, The NSS unit of Polytechnic in Agricultural Engineering, AAU, Muvaliya Farm, Dahod had successfully completed the event of Tree Plantation under the National Service Scheme at college campus. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The event was began with the welcoming of Chief guest Dr.D.H.Patel Sir, Director Students' Welfare, AAU, Anand, Dr.N.S.Parmar, President, Pratikruti Trust, VVNagar, Dist:Anand, Dr.M.M.Trivedi, Principal, PAE,AAU, Dahod were present. During plantation our chief Guest also addresses the volunteers and passed a message of kindness & being helpful to the needy people. He also said that the dedication is must to accomplish the goals and dreams in life. A very first tree plant by Dr.D.H.Patel, DSW,AAU,Anand in college premises and then Dr.N.S.Parmar also plant a tree. Total tree planted by all others including teachers, volunteers and guest was more than 15 on the day.

All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature. Prof.Sachin S.Chinchorkar NSS Programme Officer proposed vote of thanks.

“Trees are my guru. They continue to give unconditionally even when you pelt them with stones to take their fruit, and even if you cut them down. Trees give life. Let’s reciprocate that. Plant more trees.” —APJ Abdul Kalam
