

**Dr. M. L. Gaur, Professor (Soil & Water Engg) Deptt. of Agril. Engg, BACA (AAU)**  
**Attended 3-in-1 Global Conference on Soil & Water Conservation at NASC New Delhi**  
**~ Bagged Best Paper Award for his Quality Oral Presentation ~**

- 20<sup>th</sup> ISCO (USA) International Conference
- 4<sup>th</sup> WASWAC (China) International Conference
- 4<sup>th</sup> SCSI (India) International Conference

**Dr. M. L. Gaur, Professor (Soil & Water Conservation Engg.)** actively participated in a 5 days long, 3-in-1 Global Conference on Soil & Water Conservation, held at NASC, New Delhi during 5-9<sup>th</sup> November, 2019. For the 1<sup>st</sup> time, International Soil Conservation Organization (ISCO) USA; World Association of Soil & Water Conservation (WASWAC) China; and Soil Conservation Society of India (SCSI) jointly conducted this vital conference keeping its title as 'Soil and Water Resources Management for Climate Smart Agriculture, Global Food and Livelihood Security'. A total of 400 Delegates from 21 countries (USA, China, Japan, Spain and Egypt, etc), were remained on the role of conference participants.

It is appealing to grasp that in the field of 'Soil Water Conservation & Watershed Management' the ISCO conferences are one of the historical, biggest & most vital professional global meets. It was only 2<sup>nd</sup> time, when it is organized in India. Past nineteen ISCO conferences were chronically held @Lleida-Spain-2017; @El-Paso-Texas-2015; @Medellin-Colombia-2013; @Chile-2010; @Budapest-Hungary-2008; @Marrakech-Morocco-2006; @Brisbane-Australia-2004; @Beijing-China-2002; @Buenos-Aires-Argentina-2000; @West-Lafayette-IN-USA; @Bonn-Germany-1996; @New-Delhi-India-1994; @Sydney-Australia-1992; @Ethiopia&Kenya-1989; @Bangkok-Thailand-1988; @Maracay-Venezuela-1985; @Honolulu-Hawaii-USA-1983; @Silsoe-UK-1980; @Ghent-Belgium-1978. Similarly past 3 WASWAC conferences were lucratively conducted @Belgrade-Serbia-2016; @Thailand-2013, & @China-2010.

The qualitative & impact-full oral presentation given by Dr. Gaur, was highly appreciated & recognised for considering it for an 'Award of Best Oral Research Paper Presentation' during above splendid conference. Making active representation of AAU & and above praiseworthy outcomes could be possible only by high moral support and help provided by competent authority of AAU, to permit & facilitate above participation, even at shorter time.
