

Student Startup Sensitization Program at AIC Anand.

College of Food Processing Technology & Bio-Energy organized a 'Student Startup Sensitization Program' at AAU Incubation Center, Anand (AIC Anand) on July 18, 2023, at 3:30 pm. The program was aimed at sensitizing the students about entrepreneurship opportunities in the food, agriculture and allied sectors. The program was organized under the guidance and support of **Dr. Samit Dutta**, Principal & Dean, College of FPT&BE, AAU, Anand.

The program was initiated with the address by **Dr. Govind P. Tagalpallewar**, Startup Co-ordinator for Students, College of FPT&BE, AAU. He highlighted that 'entrepreneurship can be a great career option for students'.

Mr. Nikunj Soni, CEO of AIC Anand, motivated the students by highlighting the success stories of the startups incubated at AAU. He briefed the students about various benefits of RKVY R-ABI startup Incubation programs and further explained, how students can launch their own ventures with startup support schemes and facilities available at the AIC Anand.

Total 50+ students of the final year of B. Tech (Food Technology) attended the program.

Here are the glimpses of 'Student Startup Sensitization Program':
