

Training Programme at ARS Sansoli

AAU / ARS / Sansoli-Nenpur, 29th Oct. 2018

A training programme on “**Climate Change and its Impacts on Agricultural Sectors**” was organized at Farm Technology Training Centre-Nenpur on 20/10/2018. Total 54 farmers from different villages of Mahemdavad and Kheda taluka were enthusiastically participated in the said programme.

In the beginning, an oath “**My Conscience as a Citizen of India to Make It Clean**” as part of *Swachha Bharat Abhiyan* was sworn by participants.

Dr. J. K. Patel (Associate Research Scientist, ARS, Sansoli) had elaborated the brief outline on research and extension activities carried out by the centre. Lecture on “Effects of Climate Change on Environment and Agriculture” was delivered by Prof. S. A. Sipai (Assistant Extension Educationist, ARS, Sansoli).

A short video film “**For a Safer Future**” was also shown to participants for their patronage. Sh. Bipinbhai Patel (BTM, ATMA, Mahemdavad) had delivered his talk on “Sustainable Agriculture: A Way Ahead to Eco Friendly Farming”. Different bio products of GSFC, Mahemdavad were shown to participants and its importance in eco friendly environment was outlined by Sh. R. K. Parmar (GSFC Depot Manager, Mahemdavad). For practical exposure to the farmers, a field visit of centre was carried out by Dr. T. R. Patel (Research Associate, ARS, Sansoli).

Glimpses of the Programme
