## **Tree Plantation Programme-2023**

**“Just living is not enough; one must have sunshine, freedom, and a little flower.” –  
Hans Christian Andersen.**

Nature is God’s most beautiful creation. It celebrates the growth, development, and nourishment of all its creatures. As the world advances and pollutes the environment, the only possible way to make men realize the basics and reunite them with nature is to raise awareness about the planting of trees. The benefits of planting trees are multifarious and range from having a beautiful environment to preventing global climate change. The NSS and SRC, Unit of Polytechnic in Agricultural Engineering, AAU, Dahod, celebrated “Tree Plantation” on July 25, 2023, by joining hands with 3<sup>rd</sup> and 5<sup>th</sup> year students and NSS volunteers. The 40 Nos. of students and NSS volunteers were participated. The students and staff of PAE participated in this plantation programme. Students planted ornamental plants and trees in the college premises. The whole program was framed and circulated by Dr. Zeal Acharya and Prof. Sachin S. Chinchorkar, NSS Programme Officer under the guidance of Dr. B.K. Yaduvanshi, Principal, PAE, AAU, Dahod.

# Glimpses of Tree Plantation

One person adopt one tree for one year. This three Os to increase O<sub>3</sub>
