Tree plantation program at CAET, Godhra

“Someone is sitting in the shade today because someone planted a tree a long back ago”. - Warren Buffet.

A tree plantation program was organized at College of Agricultural Engineering and Technology, AAU, Godhra on 26th August, 2022. In this program about 100 plants of “Aasopalav” were planted by the staff and students of the college all around the ground of the college. The plantation program was organized under the guidance of Dr. R. Subbaiah, Principal and Dean, CAET, Godhra and Dr. Pankaj Gupta, Prof. and Head, Deptt. of FMPE. All HODs, Staff members and students of 5th and 3rd semester took part in the program. Dr. R. C. Salunkhe, Assi. Prof., Deptt. of FMPE and Chairman, SRC and Er. Sanjay Paragi, SRA arranged the plants from Forest Research Centre, Range Forest Nursery, Dhanol, Godhra and made all necessary arrangement for tree plantation.

Glimpses of Program
