

Women's awareness programme on "Menstrual Hygiene and Health" at Vaso campus

A Programme on Women's awareness regarding "Menstrual Hygiene and Health" was organized in collaboration with Red Cross Society, Nadiad and Junior Chamber of India (JCI), Nadiad at College of Agriculture and Polytechnic in Agriculture, Anand Agricultural University Vaso on 18th March 2019.

An expert Jc. Meghna Goswami delivered a talk on awareness regarding "Menstrual Hygiene and Health". All women staff member and girl students (75) actively participated in this programme and discussed various issues pertaining to woman's health. Jc. Meghna Goswami gave detail information about their newly launch "Pad bank" scheme and also to install "Pad bank" at Vaso campus. All women staff members and NSS programme officers took extra efforts to make this programme interactive.
