WORLD ENVIRONMENT DAY CELEBRATION

Outside of our homes is the actual home we all live in, and preserving it for future generations is more crucial than ever.

Every year, World Environment Day is observed on June 5. This day is celebrated to encourage awareness and environmental protection. With an objective to cultivate the idea of “Ecosystem Restoration”, a “Tree Plantation Programme” was organized on 5th June, 2023 at College of Agriculture, AAU, Jabugam by NSS unit of the College. On this occasion, all the NSS volunteers of the first year of College, along with Dr. Sunil R Patel, Principal and faculty members participated in the program and planted saplings of different tree/shrub species. The volunteers also assured to nurture all the planted saplings by taking due care.

Glimpses of World Environment Day celebration
