(2) International day of yoga

The College of Food Processing Technology & Bio Energy, AAU, Anand celebrated 7th International Day of Yoga online as per guidelines provided by Ministry of AYUSH, Government of India on ^{June} 21, 2021 with theme of “*Yoga for well-being*”.

For celebration of International Day of Yoga on June 21, 2021 staff members and students performed yoga individually as well as with their family. About 115 have performed yoga at home. The programme was framed by Programme Officer NSS, Dr. K. V. Vala, as per the guidelines provided by Ministry of AYUSH and under the guidance of Dr. R. F. Sutar, Principal & Dean, College of FPTBE, Anand.

Glimpses of 7th International Yoga day

(3) World environment day

Every year June 5, 2021 is celebrated as world environment day. Volunteers prepared poster and saw plants at their place of residence to mark the celebration of world environment day online. Student also took part in essay competition organized by ICMR- National Institute for Research in Environment Health, Bhopal. Title of the essay was **“Ecosystem Degradation and the Need for Restoration: Through the Lens of Environment and Human Health”**.

(4) World food safety day

The food we eat is kept safe through the dedicated efforts of everyone who grows, processes, transports, stores, sells, prepares and serves it. Safe food contributes to a healthy life, a healthy economy, a healthy planet and a healthy future.

Food safety is your business, too. Using food safety practices at home and in our daily lives will help avoid foodborne illness. To inspire the students about the healthy food World Food Day was celebrated on June 7, 2021 by preparing posters.

(5) Tree plantation

The College of Food Processing Technology & Bio Energy, AAU, Anand has organized tree plantation programme as per ICAR, theme '*Har Med Par Ped*' on July 16, 2021 after the ICAR virtual event under the National Service Scheme to mark the ICAR's Foundation Day. All the teachers, staff and P.G. students of this college participated in the plantation programme.

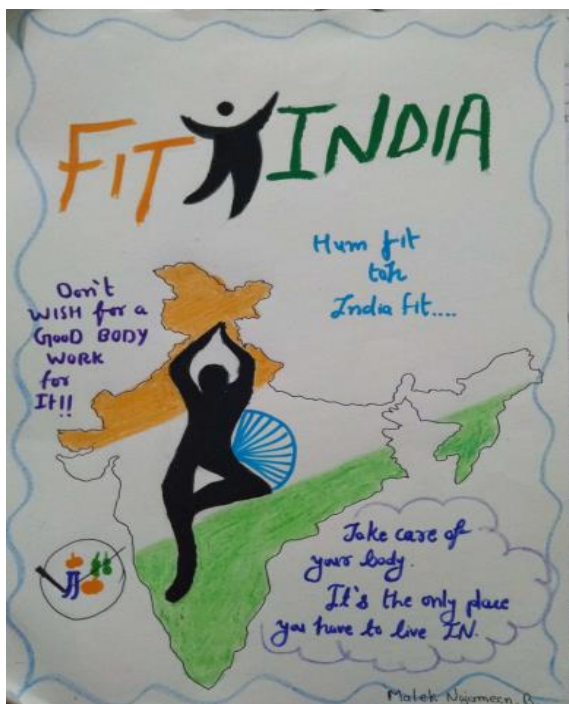

(6) Fit India

As a part of AMRUT MAHOTSAV PAR YUVA SANKALP- SHRESHTHA BHARAT KE PAANCH PRAKALP” an online poster competition on the theme FIT INDIS, was organized with an objective to bring awareness about healthiness on February 19, 2022.

(7) Campus ambassador

In November 2022, Campus ambassadors were appointed each from boys and girls, from the second year NSS Volunteer of College of Food Processing Technology & Bio Energy for proper

planning and execution of the NSS regular activities in the campus. The details of the same are as follows:

Name of Campus Ambassador	Registration No.	College
Parmar Arjunsinh Juvansangbhai	Reg no. 3070919026	College of Food Processing Technology & Bio Energy
Mangalpara Bhakti Lalitbhai	Reg no. 3070920018	

(8) Gandhi quiz participation

The student has participated in Gandhi Quiz organized by Gujarat Vidyapith and Doordarshan jointly at Doordarshan Kendra, Ahmedabad on 14-11-2021. Five team (two student) participated. Out of five team one team selected for semi-final round and stood first held after final round on 05-01-2021.

(9) NSS day celebration

The NSS day is celebrated every year on 24th September with an aim to “inculcate the social welfare thoughts in the students, and to provide service to the society without any prejudice.” The

NSS Day celebrated on September 24, 2021 with poster competition on the topic “ATMANIRBHAR BHARAT”, cleaning the college premise and tree plantation. Before start of the activities/celebration all the volunteers sang the “NSS SONG”. Volunteers cleaned the college premises. There were ten entries in poster competition, certificate given to 1st, 2nd and 3rd winner. Plantation was done in college premised. About 50 volunteers took part. Glimpses of NSS day attached.

(10) Organ donate (Angdaan) pledge

As per letter from Director, Students Welfare, AAU, Anand, to organize pledge organ donation awareness programme was organized on September 17, 2021 for the students and staff of this college. Before taking pledge all the participants were briefed about the campaign, organ donation information, its importance, who can donate, how to donate willingly, etc. They were informed about the government official website sotto.nic.in (SOTTO). Total 79 (76 students + 3 staffs) took pledge.

(11) Blood donation camp

A Blood Donation Camp under National Service Scheme (NSS) was organized at College of Food Processing Technology and Bio energy, AAU, Anand with Indian Red Cross Society, Anand on 12th October, 2021 from 09:30 am to 1 pm. Staff members and students of College of FPT & BE took part in this camp. Total 56 units of blood were collected.

(12) Thalassemia screening test and counselling camp

A Thalassemia counselling camp was organized jointly by the College of Food Processing Technology and Bio Energy, AAU, Anand and Indian Red Cross Society, Ahmedabad on 12/10/2021 at 'Seminar Room', College of FPT & BE, AAU, Anand. All the students, who had not Thalassemia screened till that time, of the College attended the camp. Students of the College were informed about the Thalassemia. A Thalassemia screening test was also organized and total 47 students, who had not done Thalassemia screened till that time took part and samples were collected.

(13) Swachhta campaign

Under “CLEAN INDIA” campaign by Department of Youth Affairs, Ministry of Youth Affairs and Sports, Government of India from 1st-31st October 2021 with motto “Lets come together and be part of history in making” Join Hands Together for Clean India a “Swachhta Campaign” was organized by NSS unit of College of Food Processing Technology and Bioenergy, AAU, Anand

on October 14, October 16, October 23, 2021, at college, boys hostel, girls hostel. 2nd Year students were actively participated in this swachhta campaign. Under „Swachhta Campaign“, various spots were identified in campus and cleaning of that spots along with painting of tress was also carried out by volunteers. Programme was framed, circulated and implemented by Dr. K.V. Vala, Programme Officer under the guidance of Dr. R.F. Sutar, Dean, FPTBE, AAU, Anand.

(14) Constitution day celebration

The College of Food Processing Technology & Bio Energy, AAU, Anand has celebrated the Constitutional Day on November 26, 2021. The objective behind celebration of the day was explained to students by Programme Officer (NSS). The preamble of the constitutional was read and explained it's gist to all the students. At the end a pledge was taken by all the volunteers.

(15) Awareness on plastic free campaign and collection of plastics

Rally and collection of plastics at Railway Station and Bus Station

NSS students of Food Processing Technology and Bio Energy Anand Agricultural University had organized a plastic awareness rally in Anand city on 12-10-2021 with the mission of “Elimination of single use plastic”. The rally started from Amul dairy at 2:00 pm and reached to Railway Station. The rally was held during the business hours so that maximum crowd can be highlighted and encouraged. The main objective of the rally was to spread awareness among the public about the effects and pollution that plastic creates on earth. The rally was encouraged by the representatives of the university including the professors. All the students were very enthusiastic for the rally, they had brought with them plenty of slogans, banners and posters. They continued the rally through public places raising different - different ear-catching slogans; like Say no to Plastics, Avoid use of Plastic, Avoid Plastic Save Environment, etc. Display board were prepared showing no to any kind of plastics. Then slogan were sougheed at the main entry of the railway station regarding stopping of plastics in day to day life. The collection of plastics at the railway station premises started after reaching the station. Then the volunteers went to the Bus station and collected plastics. Also by the end of this programme both the railway station and bus station were completely cleaned and plastic free by the end of this rally.

Collection of plastics in AAU Campus

National Service Scheme students of College of Food Processing Technology and Bioenergy, Anand Agricultural University had organized a Programme on the mission of “Elimination of single use plastic”. The programme started on 9:00 am and continued till 3 more hours. The main objective of the programme was to spread awareness among the students about the effects and pollution that plastic creates on earth. This all programme was handled by the students under the guidance of respective teachers. The cleanliness at was started after the “NSS Clapping” for the motivation of the students. All the students started from cleaning all the corners and gardens in the university, they also focused on the cleaning of the roads nearby the college, so that implemented target of Plastic Ban can be fulfilled. All the students were very enthusiastic during the cleaning process, they had took up all the brooms, cleaning tools with them. They continued to clean and collect plastic waste till the whole university achieved complete cleanliness. Volunteers also did collect all the litter waste and garbage thrown over here and there. The college faculties over there were given the responsibility to instruct the students. The whole programme got completed smoothly and by the end of this programme the whole university was fully clean.

(16) Celebration of national girl child day (24-01-2022)

A National girl child day was celebrated by NSS (National Service Scheme) students of 1st year and 2nd year of the College of Food Processing Technology and Bioenergy on 24-01-2022. This day was celebrated by preparing posters, poetry (kavita) and others prepared by girls' students particularly. Total students 23 girls took part. The glimpses of posters, etc are as under;

हुं नारा गजसनां पितृवुं पत्नी,

The camp began with the interaction with community members for rapport building and to develop understanding about welfare of the village. For the Special Camp, Dr. K V Vala, Programme Officer, NSS cell visited the village before commencing of the camp and met Sarpanch of the village, ward members and other influential members of the community. The plan of organizing the special camp was discussed at the village. The plan and its utility were appreciated by the Sarpanch and other members of the village and they agreed for the camp to be organized. After the confirmation, a meeting with NSS volunteers was arranged on 3rd March, 2022. In this meeting a brief presentation was made to the volunteers and plan for the camp was discussed. The volunteers excitingly participated in the discussion and planned the road map for camp along with guided supervision of NSS Program Officer.

Major activities undertaken during special camp 2022

Day 1: Meeting with villagers and door to door survey in village and cleanliness

The day 1 of NSS Camp comprised of bunch of programmes like NSS song, NSS clap, Fit India (Yoga), village survey and cleanliness arranged. The volunteers were guided by campus ambassador Arjunsinh Parmar and Bhakti Mangalpara. Seven groups were created which comprised of seven volunteers and one of the volunteer from each group was assigned as a leader to monitor the activities of the group and co-ordinate with other members of the group. The day 1 commenced with NSS Song and followed by NSS clap. After that, the volunteers proceeded towards Patel Community Hall, where they performed yoga under the fit India mission.

The volunteers then proceeded towards conducting a survey in the village of Gana. The volunteers were divided in the seven groups of seven members each. The volunteers' whole heartedly interacted with the people residing there and also give solution to their problems. Through the entire survey we were supposed to know as well as acknowledge them about the organic farming, milling operation, dairy technology, etc. Survey was all about addressing various problems faced by farmers or common people. Survey last for about two hours. After the lunch we assembled for the good conversation regarding the learning we all got from the survey and all this learning we had to convey to our fellow group members under Programme Officer (NSS) Dr. K. V. Vala, this took about 3 hours. The day ended with the cleanliness programme. The volunteers took up broom sticks and cleaned the streets and Patel Community Hall. As the end was approaching, there was a sense of satisfaction on the faces of volunteers as the work was completed on time.

Survey was done to find and understand the basic problem and needs of the villagers. There was a good interaction with the villagers by the volunteers. During survey NSS volunteers got very useful information regarding education, sanitation, anganwadis, religious places, play grounds for children, major health problems in the village etc. At the end of the first day, team gathered and discussed about the day's activity and result of the survey.

Day 2: Fit India, cleanliness drive and stop food waste and nutrition rally

The day 2 of NSS camp in Gana comprised of various programmes like NSS song, NSS clap followed by Fit India Programme under which the volunteers performed various exercises like *pranayam*, *alom vilom*, *kapalbhati*. Following this, seven groups were made comprising of seven volunteers which went out on the streets of Gana village to clean the surroundings. The volunteers performed their tasks efficiently. They all were satisfied on completing their designated tasks.

After that the volunteers took slogan boards and rallied around the Gana village. The rally was regarding minimizing food waste and consumption of improved nutritious foods. Road rallies were organized on three main social issues, namely, stop food loss, food information and anti-addiction. Placards were prepared with slogans regarding food saving, nutritious food, to overcome malnutrition. The main aim of the rally was to create general awareness among the villagers. The residing people responded well.

At 12:30 PM, all the volunteers headed towards the Community Hall for lunch. After having their lunch, the volunteers assembled into their groups to play a game of “Food Related Technical Terms”. The volunteers actively participated in the game along with the NSS Programme officer Dr. K.V. Vala and Piyush Moradiya. The day was pretty satisfactorily summed up as all the tasks were completed in designated time.

Day 3: Fit India, avoid use of plastic rally, plastic collection and paryavaran bachavo

The day 3 of the camp started with NSS Song, NSS clap followed by Fit India Programme under which the volunteers performed various exercises like suryanamaskar, stretching. The cleanliness drive in Village Street organized. Volunteers went out on the streets of the village to clean the surroundings. After that the volunteers took slogan boards and rallied around the Gana village. The rally was regarding minimizing the use of plastic.

In afternoon, the volunteers assembled into their groups to play a game of “Talent Show”. The volunteers actively participated in the game along with the NSS Programme officer. The students took the responsibility of cleaning up the “Community hall” and did the watering to existing trees/plant for the green environment. The day was pretty satisfactorily summed up as all the tasks were completed in designated time.

Day 4: Playing games with primary and secondary school students and celebration of international woman day

The day 4 was 8th March which is celebrating as International Woman's Day. After NSS Song and clap followed by Fit India exercise by girl volunteers. After that on the occasion of International Women's Day one of the volunteers, Riya Chaudhary delivered a speech.

Then the volunteers headed to K.D. Patel Vidhyamandir, a primary school. Where school students played various games like Musical Chairs, Balloon blast, Sac race, Pair race. The winners of the games were awarded by the prizes. After lunch discussion held for the further activity. At 15:0h

all volunteers reached secondary school. Here, classes of ninth and eleventh were involved in “Quiz Competition” and “Drawing Competition” on the topic of Women Empowerment. Then the prizes distribution to first and second winner by the lady teacher of the school. A vote of thanks was conducted at the end. The day ended satisfactorily.

Day 5: Corona awareness rally, street play and graffiti

Day started with NSS song, NSS clap followed by Fit India Programme under which the volunteers performed Yoga like kapalbhati, alom-vilom and brahmi. After that, a rally was headed towards the different areas of the village regarding Corona Awareness. The main aim of the rally was to create the awareness among the people in order to prevent the spread of corona virus by taking appropriate safety protocols. The volunteers took up slogan boards and chanted the slogans to make the residents aware about the same.

After successful completion of rally, NSS volunteers moved towards for wall painting in different areas of Gana village. Volunteers were divided into different groups and performed the task of wall painting successfully. After the completion of wall painting programme, some of the NSS volunteers performed the drama based on “Beti Bachao, Beti Padhao” and “Nashamukti” on the streets of Gana village near main entrance of the village. After the completion of all the programs, all the volunteers moved to the Patidar Community hall for lunch. Afternoon all the volunteers moved back for wall painting. NSS volunteers painted the wall with useful and awareness quotes and this way day 5 ended on a good note.

Day 6: Rally, street play and plantation

As usual day started with NSS Song, NSS clap followed by Fit India Programme under which the volunteers performed Yoga. After that, the NSS volunteers headed for a rally on the topic of “Save the Environment” and made the citizens of Gana village aware about Global warming, Cleanliness and Pollution. Then a drama was performed by the NSS Volunteers on the topic of “Social Evils and Dowry” to spread awareness regarding the same. After that the volunteers completed the wall paintings on the topic of “Save Water” and “Save Environment”. Then the students headed for lunch at 1:00 pm.

After the lunch break NSS Volunteers had delivered speeches on several social topics. Najmin Malek had prepared a speech on “Food Awareness and Food Loss”, Ujjwal Dhodia on “My village,

clean village”, Bibhanshu Kumar on “Plastic free village”, Tatvik Patel on “Corona vaccine awareness”. After the completing the speeches, the volunteers arrived to the plantation site, did the for tree plantation.

Day 7: Valedictory

The valedictory function of the special camp was organized on the last day of the camp, i.e. on 11th March, 2022 in Patidar community hall. In the valedictory function, Dr. D.H. Patel, Director, Students' welfare; Dr. S. S. Kapdi, Professor and Head, College of FPTBE AAU, Anand remained present. Village Sarpanch, Chairman of milk cooperative and other progressive farmers were invited and remained present. Before starting of the function a plantation was done by the Dr. D.H.

Patel, Dr. S.S. Kapdi & others in premises of the community hall. Valedictory function started with the lighting of lamp followed by Sara Swati Vandana and welcome of the dignitaries. Priyanshi Patel, a volunteer read out the detail report of the activities done during special camp. Other volunteer also shared/expressed their experience. After that Dr. S. S. Kapdi, explained them how NSS is useful in our day to day life. Chief Guest of the programme, Dr. D.H. Patel, in his speech, highlighted the importance of NSS and also appreciated the students for carrying out various activities. He also emphasized that all volunteers should observe e-fasting. Villagers in their response thanked the university authority for choosing their village. They all spent their valuable time with the volunteers.

Outcome of special camp

The observations we have made during camp are:

- The volunteers had a very good opportunity and experience
- Volunteer learned the lesson of social service and understood the objectives of NSS
- Importance of tree plantation, cleanliness, plastic free society
- Planning of the any programme in life to do it effectively, timely and preciously
- Interaction with the needy people, their problems, needs.
- Volunteers also learn that how to stay with mass by adjusting oneself
- They also learn, the way they made people aware of many issues like Corona, cleanliness, pollution free, avoid use of plastic, living standard of village people and their education etc.

Acknowledgements:

We would like to thank Director, Students' Welfare, Dr. D. H. Patel, AAU, Anand for giving us permission and guiding us for the successful completion of the camp. We thank our Principal and Dean, Dr. R.F. Sutar, and the college management for their kind support and guidance for the smooth conduction of the camp. We also thank them for giving this great opportunity of lending hand to the poor and serving the needy of the society in various ways.
