

Projects/Schemes

Project Information of Department of Nematology, BACA, AAU, Anand			
Sr. no.	Period	Project title	Funding agency
1.	2000	Nematode Management in Castor	National Agricultural Technology Project
2.	2000-05	Testing Efficacy of Jatropha Formulations for Management of Root-knot Nematodes (<i>Meloidogyne</i> spp.) in Tomato under Nursery and Field Conditions	Central salt and Marine Chemical Research Institute
3.	2011-13	Testing Performance of New nematicide MCW-2 (10% GR) Against Root-knot Nematodes in Tomato	Makhteshim Agan India Private Ltd.
4.	2013-15	Evaluation of efficacy of DPX-Q8U80 500 SC against root-knot nematode in Brinjal and Tomato	Dupont India Pvt. Ltd.
5.	2013-15	Evaluation of MCW-2 (2% GR) against root-knot nematode in Okra	ADAMA India Pvt. Ltd.
6.	2013-15	Evaluation of MCW-2 (2% GR) against root-knot nematode in Cucumber	ADAMA India Pvt. Ltd.
7.	2017-18	Efficacy of Fumigator (A Sorghum Variety with high HCN Content) on Tomato Against Root-knot Nematode (<i>Meloidogyne</i> spp.)	UPL/Advanta seeds
8.	2017-19	Bio efficacy of Vellum prime 400 SC against root-knot nematode infecting Brinjal	Bayer Crop Science
9.	2017-19	Efficacy of Fluazaindolizine (Q8U80) 500 SC for the management of root-knot nematode on Brinjal	Dupont India Pvt. Ltd.
10.	2017-19	Efficacy of Fluazaindolizine (Q8U80) 500 SC for the management of root-knot nematode on Tomato	Dupont India Pvt. Ltd.
11.	2017-19	Efficacy of Fluazaindolizine (Q8U80) 500 SC for the management of root-knot nematode on cucumber	Dupont India Pvt. Ltd.
12.	2017-19	Efficacy of Fluazaindolizine (Q8U80) 500 SC for the management of root-knot nematode on Capsicum	Dupont India Pvt. Ltd.
13.	2017-19	Evaluation of MCW-2 (2% GR) against root-knot nematode (<i>Meloidogyne incognita</i>) in Capsicum (Under polyhouse condition)	ADAMA India Pvt. Ltd.
14.	2017-19	Bio efficacy of Vellum prime 400 SC against root-knot nematode infecting chilli	Bayer Crop Science
15.	2019-20	Demonstration of efficacy of Nimitz 2 GR in different crops (Tomato, Guava and Pomegranate)	ADAMA India Pvt. Ltd.
16.	2019-21	Efficacy of Fluazaindolizine (Q8U80) 500 SC for the management of root-knot nematode on Bottle gourd	Dupont India Pvt. Ltd.

17.	2019-21	Efficacy of Fluazaindolizine (Q8U80) 500 SC for the management of root-knot nematode on Bitter gourd	Dupont India Pvt. Ltd.
18.	2019-21	Efficacy of Fluazaindolizine (Q8U80) 500 SC for the management of root-knot nematode on multiple crops (Okra, Water melon and Ridge gourd)	Dupont India Pvt. Ltd.
19.	Ongoing	Hi-tech demonstration unit for management of Plant parasitic nematodes under protected condition	National Horticulture Mission
20.		Efficacy evaluation of fluopyram 400 G/L SC (VELUM PRIME) on citrus	Bayer Crop Science
21.		Efficacy evaluation of fluopyram 400 G/L SC (VELUM PRIME) on ginger	Bayer Crop Science
22.		All India Co-ordinated Research Project on Nematodes in Agriculture	ICAR, New Delhi
Departmental Project			
1.	Ongoing	Strengthening of Department of Nematology	Departmental
2.	Ongoing	Establishment of Discipline of Nematology for Post Graduate Education and Research	Departmental
3.	Ongoing	Screening and Management of Root-knot Nematode in important crops of Gujarat at Anand	Plan scheme
