Recommendations

Below given 2 recommendations were released at university level research council meet,

1. Design and Development of Grader for Aonla Fruits.(February 20-21, 2017)

The size based grader for aonla fruits developed by AAU, Anand is recommended for the use of farmers and concerned entrepreneurs for grading aonla fruits. The developed grader has high capacity as compare to manual grading and is efficient and economical in grading the aonla fruits.

Investigators: Dr. V. B. Bhalodiya (PI), Dr. R. F. Sutar (Co PI)

2. Development of commercial process for manufacture of Carrot Halwa and Bottle Gourd Halwa (2016)

Investigators: Dr. Sunil Patel (PI), Dr. A. G. bhadania, Dr. Suneeta Pinto, Dr. J. P. Prajapati, Er, C. S. Baladhiya, Er. Istiyak A. Chauhan (Co-PI)
