The event was end with Swachhata Shapat (Oath). In this programme total 54 volunteers participated and faculties of the college also join for cleanness of the college premises.

“Swachhta Pakhwara”

## **(2) WORKSHOP ON BUILD YOURSELF**

A one day work shop on “Build yourself” was organize by National Service Scheme, College of Horticulture, AAU, Anand under the Auspious of Shantikunj Haridwar with the help of “Devine India Youth Association”, Anand Chapter on date 11/11/2017. In inauguration session Dr.B.N.Satodiya, Associate Professor and other faculty members of College of Horticulture remain present.

During this one day work shop different types of group activities and motivational lecture to students were delivered by different members of “Devine India Youth Association”. In this workshop students have enjoyed ice breaking activity, team building activities and group activities and different types of lecture on Human excellence, key to success, why reading is important and scientific spirituality were delivered.

The main aim of the workshop was that students should learn about: Stay positive and happy. Work hard and don't give up hope. Be open to criticism and keep learning. Surround yourself with happy, warm and genuine people. They also focus the students on learn to enjoy every minute of your life. Be happy now. Don't wait for something outside of yourself to make you happy in the future. Think how really precious is the time you have to spend, whether it's at work or with your family. Every minute should be enjoyed and savored. Stay true to yourself, yet always be open to learn. Work hard, and never give up on your dreams, even when nobody else believes they can come true but you. These are not cliches but real tools you need no matter what you do in life to stay focused on your path. In this workshop total 95 students and staff members of college were remain present.

### (3) Thalassemia awareness programme and test:

An awareness programme on Thalassemia was successfully organized by National Service Scheme, College of Horticulture and B.A.College of Agriculture, AAU, Anand in collaboration with Indian Red Cross Society, Ahmedabad on 18-11-2017 at Examination hall, B.A.College of Agriculture. In this programme short movie on Thalassemia was displayed by Red Cross Society. About 37 volunteers gave their blood sample for Thalassemia test.

#### (4) Lecture on “Today’s Youth”

A lecture on “today’s youth” was arranged by National service scheme, College of Horticulture, AAU, Anand. In this programme Dr.H.C.Patel, Principal, College of Horticulture and other faculty members remains present. Shri Hareshbhai Shani, Administrator of Saurashtra Kedvani Mandal, V.V.Nagar delivered a talk on today’s youth. He focus on the term youth is often associated with vibrancy, joyfulness, enthusiasm and passion. This is because people belonging to the young generation are full of life. They are curious to learn new things and ready to explore the world. They are high on energy and do not want to conform to the customs and traditions set by the earlier generations. They try to apply logic to everything and question the radical thinking of the elders. Youth are the hope of tomorrow. They are one of the most energetic segments of the nation and thus there are high hopes from them. With the right mindset and ability the youth can contribute towards the development of the nation and take it forward.

Dr.H.C.Patel, Principal, College of Horticulture highlighted the duty of the parents to nurture their children and help them for becoming good human beings. Teachers also play a major role in building the youth of the nation. They must take their responsibility seriously. By nurturing honest and committed individuals they are building a strong nation. In this programme total 60 volunteers participated.

## (5) Nashabandhi jagurti ane debate programme

At University level one programme on “Nasabhandhi and their rules and debate” was organized jointly by AAU, Anand and Nashabandhi ane Abkari Vibhag, Anand on 2<sup>nd</sup> October, 2017. The main aim of this programme is that students can understand about new rules and regulation about Nasha bandhi and how they can avoid such drug like tobacco, alcohol etc. They also explained that education for drug abuse prevention should be seen to include both formal and informal health curricula, the creation of a safe and healthy university environment, the provision of appropriate health services and support as well as the involvement of the family and the community in the planning and delivery of programmes. After that debate and allocation was there were participation from all the college was there and the students of College of Horticulture won first as well as second prize in these competition. In this programme Hon'ble vice chancellor, Dr. N.C.Patel, Director of Research, Dr. K.B.Katheria and Director of students welfare, Dr.S.H.Akbari remains present. In this programme our 60 volunteer participated with NSS programme officer.

## (6) Leadership and entrepreneurship training programme

# Special Activity

**SPECIAL CAMP - 25<sup>th</sup> March to 31<sup>th</sup> March, 2018**

**Village: Gopalpura, Ta, Di: Anand**

College of Horticulture, Anand Agricultural University, Anand organized a special camp of NSS Volunteers at village Gopalpura, Ta. Anand, Dist. Anand during 25/03/2018 to 31/03/2018. Total 54 students were participated in this special camp.

During this special camp occasion, on 25<sup>st</sup> March, 2018 in morning session in village socio economic survey was carried out with the “Sarpanch” of Gopalpura village, Smt. Vidhyaben Patel. During survey students were familiar with the village people, got the information regarding the ratio of the community in the village and facilities available in village like Milk co-operative society, primary school, Panchayat office, Bank *etc.* They briefly got information regarding farmers land holding, live stock, cropping pattern and average income. After the survey of village our NSS volunteers interacted with school children and got information regarding their educational and living standard. In this session Mrs. Shalinaben Patel, Principal of Primary School helps the NSS volunteers. By this way our NSS volunteers were familiar with school children also. Then under “Swachh Bharat Abhiyan” the work was started for cleanliness of the village, In this programme NSS volunteers collect the garbage and specially all the plastic waste from all the streets and surrounding areas of the village.

Second day there was a poster making competition on theme “*Beti Bachao Beti Padhao*” and “*Save water*” after that volunteer arranges a Relly on “*Vyasan Mukti Abhiyan*”.

On third day “Snake Show” was arranged with students of primary school of village. Mr. Dhaval Patel and other staff of Nature Club, Vidhyanagar joined us in the camp. They gave information on different types of snakes & cobras. Moreover they described in detail about different between poisonous and non-poisonous snakes. What should be the first aid treatment when snake bite and which types of precautions should be take when snake bites. After that programme on preparation of “Sparrow House” was initiated and NSS volunteers distributed this sparrow house at proper place in village. A two minute game on “allocation” was frame out in camp. In afternoon session volunteers visited water and land management institute (WALMI) near Hadgud village. Mr.Mehul

Patel highlighted the water scenario and status of water in Gujarat and India. Further, they explained how to conserve water; water harvesting and how individual can help in saving of water for future generation.

On 28<sup>th</sup> March, volunteers visited “Narayan dairy farm”. The owner Shri Sanjaybhai Rabari explained how we can do dairy business and what precaution should be required for increasing milk production. In afternoon session in camp there was an activity of preparation of milk products. Dr.Amit Patel and faculties of Dairy Science College joined with us in the camp. They practically guide the NSS volunteers and specially women of village how to prepare “Gulab Jamun” and “Panner” from milk and explained different uses of byproducts of milk.

On 29<sup>th</sup> March tree plantation was done in nearby area of temple, school and surrounding area of village. During the special activities camp, various other activities were also carried out *viz.* quiz competition, visited Roses Nursery, Sayaji garden at Vadodara and Sardar Patel Memorial at Karamsad.

On 31<sup>st</sup> March in closing ceremony in Special Camp with blessings by Dr.H.C.Patel Principal, College of Horticulture, Dr.K.P.Patel, Dean, B.A. College of Agriculture, Dr. S.H. Akbari, Director of Student welfare, Dr.N.I.Shah, Professor and Head, Department of Horticulture, Smt.Vidhyaben Patel, Sarpanch of the village and other faculty members of College of Horticulture were present. On this occasion, Dr.H.C.Patel, Principal, College of Horticulture motivated and informed the NSS volunteers about the thrust areas of NSS, particularly for environment conservation & enrichment, social harmony and national integration. Dr. S.H. Akbari, DSW, briefly explained about the importance of NSS in educational institutions and role of students in Nation building. Dr.K.P. Patel, Dean (BACA) also motivated the students. A detailed plan of the different activities conducted during the camp was presented by NSS volunteers.

Dr.C.H.Raval, Programme Officer gave vote of thanks of Dr. S.H. Akbari, Director of Student welfare, Dr.K.P.Patel, Dean, B.A.College of Agriculture, Dr.H.C.Patel, Principal, College of Horticulture and all the faculty members *viz.* Dr.D.D.Parekh, Prof.Dipak.R.Pardava, Dr.A.H.Barad, Dr.B.L.Dudhat, Dr.H.N.Prajapati and Dr.S.R.Bhise as well as Sarpanch Smt.
