

College of Agriculture AAU, Jabugam, Gujarat

Nurturing the
Agricultural future

Serving the society

Our Mission & Vision

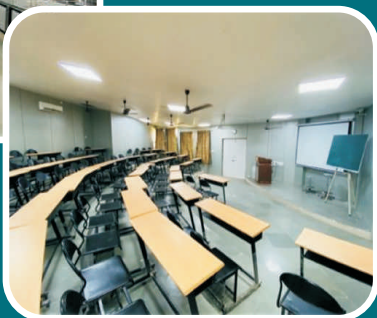

College of Agriculture, Jabugam is focused on development of competent and skilled human resources and grooming the future leaders to serve the prevailing and forthcoming demands of the farming community around the globe. The college aspires for excellence in the field of Agricultural education with its ever-innovative and vibrant professional programme.

💡 We empower our students to work hard and perform best to their potential 💡

Infrastructure & Facilities

Our college has smart classrooms to facilitate teaching through modern as well as traditional tools and techniques. We are also equipped with modern day learning laboratories and a resourceful library to cater the need of budding brains. The college has three Hostels (on campus) along with a dining hall operated thrice a day at breakfast, at lunch and at dinner. The College is also endowed with gymnasium, playground, farmers training center, research farms. The College has taken measures to address the need for vigilance and security. The campus is CCTV-enabled to cater to the safety requirements of a well-endowed and equipped campus receiving a huge footfall.

Our Approach

Guided by our student centered philosophy, the college promotes co-curricular opportunities and encourages student participation in all aspects of campus life. Students participate in the co-curricular activities in the form of annual college week, sports and games and social/cultural meets. The college avails National Social Service (NSS) Scheme by opening NSS cell which organizes blood donation, tree plantation, water harvesting, sanitation, health and hygiene activities, eco-environmental conservation and preservation related activities on regular intervals. We also have an efficient placement cell to avail better career opportunity for the students.

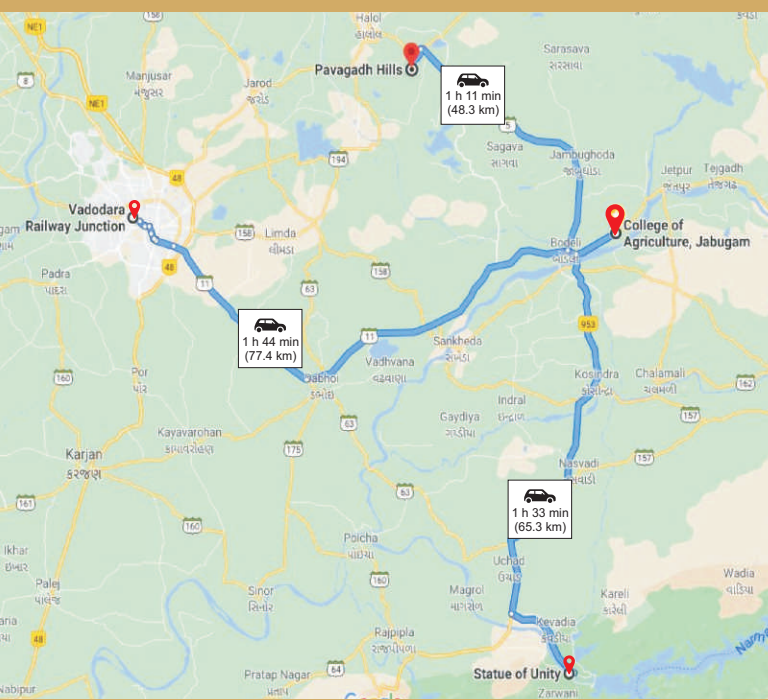

Our Faculty

We run four years degree course of B.Sc. (Hons.) Agriculture. Though our college is of recent origin, it has rapidly progressed in all aspects and has turned to be excellent with the help of qualified and devoted staff members under the dynamic leadership of our Principal.

Who We Are

Our college is established in the year 2012-13 under Anand Agricultural University, Anand situated on the state high way of Bodeli – Chhota Udepur, six kilometers away from Bodeli in the pure atmosphere of rural area has luscious green campus of about 20 hectares of fertile land. We aim to cater the needs of agricultural education in the tribal region of Chhota Udepur district by imparting benchmark knowledge in field of agriculture by offering four year degree programme of B. Sc. (Hons.) Agriculture.
