

**Dr Subrota Hati is honoured as prestigious
Member of National Academy of Science, India (NASI)**

Dr. Subrota Hati working as Assistant Professor in Dairy Microbiology Department, SMC College of Dairy Science, Anand Agricultural University, Anand has been selected as the prestigious Member of National Academy of Science, India (NASI) in Biological Sciences on the basis of his research works, research publications, Awards, and Biodata. This type of membership is given to only a few members from physical and biological sciences.

The National Academy of Sciences (www.nasi.org.in) India was founded in the year 1930, with the objectives to provide a national forum for the publication of research work carried out by Indian scientists and to provide opportunities for exchange of views among them. The Academy is supported by the Department of Science & Technology, Govt. of India and it is also recognized as the Scientific and Industrial Research Organisation by the DSIR, Govt. of India.
