“National Space Day”

The College of Horticulture, AAU, Anand, hosted a live telecast of the National Space Day (NSpD) 2024 event, "Touching Lives While Touching the Moon - India's Space Saga," on August 23, 2024. The event was live-streamed from Bharat Mandapam, New Delhi, and was made accessible to students and faculty member through the provided YouTube link.

The live telecast was conducted under the NSS Cell of the College of Horticulture with the guidance of Principal & Dean, Dr. N. I. Shah. A total of 45 NSS volunteers were actively participated in the event, who attended the live telecast to witness India's achievements in space exploration. The primary objective of this event was to stand-in a sense of national pride and curiosity about space among students. It also aimed to inspire young minds by showing India's journey and accomplishments in the space sector. Following the live telecast, the event concluded with a commitment to further promote scientific awareness and enthusiasm for space exploration among students.
