

National Milk Day Celebrated at Polytechnic in Agricultural Engineering, Dahod

The Polytechnic in Agricultural Engineering, Anand Agricultural University, Muvaliyafarm, Dahod, celebrated **National Milk Day November 26, 2024** with great enthusiasm under the leadership of **Principal Dr. H.L. Kacha**, **NSS Programme Officer Dr. F.G. Sayyad**, **Prof. S.S. Chinchorkar**, and **Er. M.S. Khardiwar**. The event paid tribute to the remarkable contributions of **Dr. Verghese Kurien**, the Father of the White Revolution, and highlighted the importance of milk in health and nutrition.

The celebration featured an engaging program in which students actively participated in **speeches** and a **group discussion** on the theme *“Milk Day and Milk for All.”*

The speeches delivered by the students shed light on the life and achievements of Dr. Verghese Kurien, focusing on his visionary efforts in transforming India into the largest producer of milk globally. They also emphasized the role of milk in fostering good health, addressing malnutrition, and supporting rural economies.

The **group discussion** provided a platform for students to explore innovative ideas and practical solutions for achieving the goal of "Milk for All." Topics such as sustainable dairy farming practices, enhancing milk production, ensuring affordability and accessibility, and creating awareness about the nutritional value of milk were discussed.

NSS Programme Officer Dr. F.G. Sayyad commended the students for their active involvement and encouraged them to take forward the ideals of Dr. Kurien by contributing to the sustainable growth of the dairy industry. **Prof. S.S. Chinchorkar** and **Er. M.S. Khardiwar** also addressed the gathering, motivating students to promote the value of milk in building a healthy society and supporting rural livelihoods.

The event concluded with a vote of thanks, expressing gratitude to the leadership and efforts of the organizing team and the enthusiastic participation of the students.

The celebration of National Milk Day 2024 not only honored the legacy of Dr. Verghese Kurien but also instilled awareness among students about the critical role of milk in nutrition and its impact on the nation's development.
