

**B. A. College of Agriculture  
Anand Agricultural University  
Anand**

**Annual Report: 2007-08**

Since the inception of human civilization the need for Physical education and Sports has been an integral part to utilize appropriately our leisure time and to maintain the well-being of mankind.

It is rightly said that a healthy nation can be built if most of the citizens are physically fit. The mental stress and tension arising out of the fast modern life can only be released in the playground and therefore, a healthy diet and fitness have gained a new status in today's world.

In 2007-08, Students' Representative Council has been formed comprising of the staff and the students. The names are as follows:

| Sr. No. | Name                | Designation         | Activities                         |
